5.1.9. Critères de sélection

Sources des critères de sélection: Document unique de marché européen (DUME), Document de marché, Avis

Critère: Inscription à un registre du commerce

Description du critère de sélection: Requirement 2 - Registered in a trade register or company register. Tenderers shall be registered in a company register or a trade register in the country where the tenderer is established. Norwegian companies: Company Registration Certificate
Foreign companies: Documentation that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Requirement 3 - Finances The tenderer is required to be financially solvent, which gives the contracting authority the security that the tenderer will be financially viable throughout the period of the agreement. Documentation requirement: A complete credit assessment/report, not older than three months, from a publicly certified credit rating company, with score A (credit worthy) or an equivalent or better rating. The report shall be based on the last known accounting figures. The date must be clearly stated. Companies without a satisfactory credit rating, recently established companies with credit rating AN, some foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to document that the requirement is fulfilled. In such cases, they will be able to compensate with a satisfactory credit rating which provides an equivalent security for implementation ability. Such alternative documentation shall be included with the tender. If the tenderer has valid reasons for not submitting the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the Contracting Authority deems suitable. The contracting authority reserves the right to obtain updated credit assessments from a publicly certified credit rating company.

Critère: Certificats délivrés par des organismes indépendants concernant les normes d'assurance qualité

Description du critère de sélection: Requirement 5 - Quality Management System A good and well-functioning quality management system is required for the requested services. The concept of a quality management system is that i.a. the tenderer has a awareness of quality objectives, planning, securing, handling of deviations, quality improvement and data security. Documentation requirement: An account of the tenderer's quality management system, or a copy of a quality management certificate in accordance with ISO 9001:2015 or an equivalent certificate.

Critère: Références sur des livraisons spécifiées

Description du critère de sélection: Requirement 4 - Experience Experience from similar assignments is required. Similar assignments mean reviews that are relevant in accordance with the requirement specifications. Documentation requirement: List of the three most important deliveries or services performed during the past 5 years, including information about the value, time, and the name of the public or private recipient with contact information.
