Nomenclature complémentaire (cpv): 71332000 Services d'ingénierie géotechnique, 71351210 Services de conseil géophysique, 71351220 Services de conseil en géologie, 71351900 Services de géologie, d'océanographie et d'hydrologie, 71351910 Services de géologie, 71351923 Services de levés bathymétriques, 71352000 Services de levés souterrains, 71352300 Services d'enregistrement magnétométrique, 71353100 Services de levés hydrographiques, 71354500 Services de cartographie maritime, 71355200 Services d'arpentage cadastral, 71510000 Services de reconnaissance sur le site

2.1.2. Lieu d'exécution

N'importe où dans l'Espace économique européen

2.1.4. Informations générales

Informations complémentaires: The applicant must submit a completed ESPD to apply for the Qualifications system. The ESPD for this tender can be found via Comdia. The ESPD must be

completed in Comdia and submitted via “My Response”, cf. link in section I.1 in this notification. Applications not submitted via Comdia will not be accepted. The Contracting Authority reserves the right to request the applicant to supplement, specify or complete the information submitted. 1) Concerning economic and financial standing: For admittance to the SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the “Guide to SQS” (doc. no. 20/02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 “Additional information”. It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium). 2) Concerning technical and professional ability: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the “Guide to SQS” (doc. no. 20/02476) section 3.2.1.2. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities. 3) General: — An applicant participating on its own, but relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor), must ensure that the application includes the applicants own ESPD together with a separate ESPD from each of the entities it relies on with a completed part II: “Information concerning the economic operator” and part III: “Exclusion grounds” of the ESPD as well as the relevant information regarding part IV: “Selection criteria” and part V: “Reduction of the number of qualified candidates”. The ESPD from each of the entities should be duly filled and signed by the entities concerned. Further where an applicant wants to rely on the capacities of other entities, it shall prove to the contracting authority that it will have at its disposal the resources necessary, for example, by producing a commitment by those entities to that effect, which must be submitted as part of the final documentation. — Where groups of economic operators, including temporary associations, participate together in the procurement procedure, a complete separate ESPD for each of the participating economic operators must be submitted. Further the final documentation must include a signed declaration by all parties of the group of economic operators (joint venture, consortium or other) stating that all economic operators assume joint and several liabilities towards the Contracting Authority for the performance of the contract as a whole.

Base juridique:

Directive 2014/25/UE

2.1.6. Motifs d'exclusion

Sources des motifs d'exclusion: Avis

Corruption: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for corruption, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 3 of the Convention on the fight against corruption involving officials of the European Communities or officials of Member States of the European Union, OJ C 195, 25.6.1997, p. 1, and in Article 2(1) of Council Framework Decision 2003/568/JHA of 22 July 2003 on combating corruption in the private sector (OJ L 192, 31.7.2003, p. 54). This exclusion ground also includes corruption as defined

in the national law of the contracting authority (contracting entity) or the economic operator. "

For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Fraude: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for fraud, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? Within the meaning of Article 1 of the Convention on the protection of the European Communities' financial interests (OJ C 316, 27.11.1995, p. 48). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Blanchiment de capitaux ou financement du terrorisme: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for money laundering or terrorist financing, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 1 of Directive 2005/60/EC of the European Parliament and of the Council of 26 October 2005 on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing (OJ L 309, 25.11.2005, p. 15). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Participation à une organisation criminelle: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of

representation, decision or control therein been the subject of a conviction by final judgment for participation in a criminal organisation, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 2 of Council Framework Decision 2008/841/JHA of 24 October 2008 on the fight against organised crime (OJ L 300, 11.11.2008, p. 42). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Infractions terroristes ou infractions liées aux activités terroristes: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for terrorist offences or offences linked to terrorist activities, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Articles 1 and 3 of Council Framework Decision of 13 June 2002 on combating terrorism (OJ L 164, 22.6.2002, p. 3). This exclusion ground also includes inciting or aiding or abetting or attempting to commit an offence, as referred to in Article 4 of that Framework Decision. For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Travail des enfants et autres formes de traite des êtres humains: Has the economic operator itself or any person who is a member of its administrative, management or supervisory body or has powers of representation, decision or control therein been the subject of a conviction by final judgment for child labour and other forms of trafficking in human beings, by a conviction rendered at the most five years ago or in which an exclusion period set out directly in the conviction continues to be applicable? As defined in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council of 5 April 2011 on preventing and combating trafficking in human beings and protecting its victims, and replacing Council Framework Decision 2002/629/JHA (OJ L 101, 15.4.2011, p. 1). For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this

documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Faute professionnelle grave: Is the economic operator guilty of grave professional misconduct? Where applicable, see definitions in national law, the relevant notice or the procurement documents.

Fausse déclarations, dissimulation d'informations, incapacité de présenter les documents requis ou obtention d'informations confidentielles sur cette procédure: Can the economic operator confirm that: a) It has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, b) It has withheld such information, c) It has not been able, without delay, to submit the supporting documents required by a contracting authority or contracting entity, and d) It has undertaken to unduly influence the decision making process of the contracting authority or contracting entity, to obtain confidential information that may confer upon it undue advantages in the procurement procedure or to negligently provide misleading information that may have a material influence on decisions concerning exclusion, selection or award?

Conflit d'intérêt créé par sa participation à la procédure de passation de marché: Is the economic operator aware of any conflict of interest, as indicated in national law, the relevant notice or the procurement documents due to its participation in the procurement procedure? Association directe ou indirecte à la préparation de cette procédure de passation de marché: Has the economic operator or an undertaking related to it advised the contracting authority or contracting entity or otherwise been involved in the preparation of the procurement procedure? Manquement à des obligations liées à des motifs d'exclusion purement nationaux: § 134 a. A contracting entity shall exclude a candidate or tenderer from participation in a procurement procedure if the candidate or tenderer is established in a country that is included on the EU list of non-cooperative jurisdictions for tax purposes and has not acceded to the WTO's Government Procurement Agreement or other trade agreements obliging Denmark to open the public procurement market to tenderers established in that country.

Manquement à l'obligation relative au paiement de cotisations de sécurité sociale: Has the economic operator breached its obligations relating to the payment social security contributions, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than the country of establishment? For Danish applicants/tenderers the documentation is entailed in the "Serviceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants/tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. Information regarding relevant certificates can be obtained from: <https://ec.europa.eu/tools/ecertis/#/search>

Manquement à l'obligation relative au paiement d'impôts et taxes: Has the economic operator breached its obligations relating to the payment of taxes, both in the country in which it is established and in Member State of the contracting authority or contracting entity if other than

the country of establishment? For Danish applicants/tenderers the documentation is entailed in the "Ser-viceattest" which can be acquired from the Danish Business Authority. The time frame from request of a Serviceattest until receipt is usually two weeks. For foreign applicants /tenderers it is the experience of the Contracting Authority that the time frame for receipt of this documentation varies within the individual member states. As a result, The Contracting Authority strongly advises foreign applicants/tenderers to obtain this documentation as early as possible. Preferably the documentation should be ready and available already in connection with the prequalification. The EU Commission has launched e-CERTIS, a free, on-line source of information to help companies and contracting authorities to deal with different forms of documentary evidence required when tendering for public contracts. 5.1.6. Informations générales

Participation réservée:

La participation n'est pas réservée.

Le marché relève de l'accord sur les marchés publics (AMP): oui

Informations complémentaires: The applicant must submit a completed ESPD to apply for the Qualifications system. The ESPD for this tender can be found via Comdia. The ESPD must be completed in Comdia and submitted via "My Response", cf. link in section I.1 in this

notification. Applications not submitted via Comdia will not be accepted. The Contracting Authority reserves the right to request the applicant to supplement, specify or complete the information submitted. 1) Concerning economic and financial standing: For admittance to the SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 "Additional information". It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium). 2) Concerning technical and professional ability: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.2. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities. 3) General: — An applicant participating on its own, but relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor), must ensure that the application includes the applicants own ESPD together with a separate ESPD from each of the entities it relies on with a completed part II: "Information concerning the economic operator" and part III: "Exclusion grounds" of the ESPD as well as the relevant information regarding part IV: "Selection criteria" and part V: "Reduction of the number of qualified candidates". The ESPD from each of the entities should be duly filled and signed by the entities concerned. Further where an applicant wants to rely on the capacities of other entities, it shall prove to the contracting authority that it will have at its disposal the resources necessary, for example, by producing a commitment by those entities to that effect, which must be submitted as part of the final documentation. — Where groups of economic operators, including temporary associations, participate together in the procurement procedure, a complete separate ESPD for each of the participating economic operators must be submitted. Further the final documentation must include a signed declaration by all parties of the group of economic operators (joint venture, consortium or other) stating that all economic operators assume joint and several liabilities towards the Contracting Authority for the performance of the contract as a whole.

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Ratio financier

Description du critère de sélection: For admittance to the SQS, the Applicant must meet the minimum requirements in the latest annual report listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.1. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 "Additional information". It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium).

Critère: Références sur des travaux spécifiés

Description du critère de sélection: For admittance to the SQS, the Applicant must meet the minimum requirements listed in the "Guide to SQS" (doc. no. 20/02476) section 3.2.1.2. Please note that the minimum requirements are different in the different categories. If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities.
