1. Acheteur

1.1. Acheteur

Nom officiel: Bodø Kommune

Adresse électronique: jarl.richard.salamonsen@bodo.kommune.no

Forme juridique de l'acheteur: Organisme de droit public, contrôlé par une autorité locale

Activité du pouvoir adjudicateur: Services d'administration générale

2. Procédure

2.1. Procédure

Titre: Framework agreement for the procurement and installation of equipment connected to the existing Lenel OnGuardS2 access control system.

Description: The aim of this procurement is to enter into parallel framework agreements for the delivery of software, equipment, as well as maintenance and assistance services for the municipality's access control system (in this document referred to as AAK). The contracts are for expansions and changes to the existing Lenel OnGuardS2 system and tenderers must therefore have access to equipment, have Lenel OnGuardS2 certified technicians as well as be certified VAR (Value Added Reseller). Bodø municipality shall always have a robust, flexible, well-functioning and future oriented access control system.

Identifiant de la procédure: 99779056-d656-4b8e-9bb2-72c90ffdaa92

Identifiant interne: 2026/23583

Type de procédure: Ouverte

La procédure est accélérée: non

Principales caractéristiques de la procédure et informations sur l'endroit où obtenir les règles complètes applicables à la procédure: The procurement shall be made in accordance with the Act from 17 June 2016 no. 73 on public procurements (LOA) and the regulations from 12 August 2016 no. 974 on public procurements (FOA). The procurement will be carried out as an open tender contest in accordance with PPR parts I and III. This procedure gives all interested tenderers the possibility to submit tenders for the competition. The framework agreement will be valid for 2 years, with an option to extend the framework agreement for a further 1+1 year, to a total maximum of four years. The estimated value of the framework agreement is between NOK 2.5 million and NOK 3.5 million excluding VAT per annum. This is equivalent to between NOK 10 million and NOK 14 million excluding VAT for the entire contract period of maximum four years (including options). The maximum financial limit for the framework agreement (including options) is NOK 18.2 million excluding VAT. See the requirement specifications, point 2.2 part 2 and annex 1 for further information on the contract's extent and content.

La participation n'est pas réservée.

Projet de passation de marché non financé par des fonds de l'UE

Le marché relève de l'accord sur les marchés publics (AMP): non

Le marché en question convient aussi aux petites et moyennes entreprises (PME): oui

5.1.7. Marché public stratégique

Critères marchés publics écologiques: Critères applicables aux marchés publics écologiques nationaux

5.1.9. Critères de sélection

Sources des critères de sélection: Avis

Critère: Certificats délivrés par des instituts de contrôle de la qualité

Description du critère de sélection: 8.3.3. Requirement for tax certificate Requirement:

Tenderers shall have their tax, payroll tax and VAT payments in order. Documentation

requirement: Tax certificate not older than six months from the tender deadline. Tax Certificate

means: For Norwegian tenderers: › Tax and VAT certificate issued by the tax office via Altinn

For foreign tenderers: › Foreign tenderers must submit equivalent certificates from their

countries that show that they have their tax and duty payments in order. If the authorities in the

relevant country do not issue such certificates, the tenderer shall submit a statement which

states that all taxes and duties have been paid. The declaration shall be approved and signed

by the tenderer's Financial Director/ person responsible for Finance.

Critère: Inscription à un registre professionnel pertinent

Description du critère de sélection: Requirement: The tenderer shall be a legally established

company. Documentation requirement: Norwegian tenderers: › Company Registration

Certificate Foreign tenderers: › Confirmation that the tenderer is registered in a trade register

or company register in accordance with the law in the country where the tenderer is

established.

Critère: Ratio financier

Description du critère de sélection: Requirement: The tenderer shall have sufficient financial

strength to be able to fulfil the contract. Documentation requirement: The tenderer's Annual

Financial Statements including notes with the Board's and auditor's reports from 2023 and

2024. In addition tenderers are requested to present a credit rating, not older than six months

from the tender deadline, from a certified credit rating company. The Contracting Authority

reserves the right to carry out a credit assessment itself. The financial strength will be

assessed on the tenderer's turnover, liquidity, solidity and debt ratio.

Critère: Qualifications éducatives et professionnelles pertinentes

Description du critère de sélection: Requirement: The tenderer shall have the necessary

implementation ability to fulfil the contract. Documentation requirement: A short, overall

description shall be given of the company, including: › Account of the company's core

competence related to the scope of the delivery. › Description of how the tenderer is organised

for the execution of this contract, as well as the tenderer's available capacity. › A description of

how much of the contract the tenderer is considering putting away to sub-suppliers.

Critère: Références sur des travaux spécifiés

Description du critère de sélection: Requirement: Tenderers shall have good experience from relevant and comparable deliveries. 'relevant and comparable deliveries' means assignments of a relevant nature and scope that can be expected as call-offs under the framework agreement Documentation Requirement: Description of the tenderer's up to three most relevant and comparable assignments from the last three years. Tenderers shall document fulfilment by filling in the attached template for reference descriptions; See Annex 4: Reference Descriptions. If a tenderer has signed certificates from previous assignments available, they are to be enclosed.

Critère: Certificats délivrés par des organismes indépendants concernant les normes d'assurance qualité

Description du critère de sélection: Requirement: The tenderer shall have a documented and implemented quality assurance system/management system. Documentation requirement: A short description of the tenderer's quality assurance/management system. The description must, however, be so detailed that the Contracting Authority can undertake an independent assessment of whether the tenderer's quality assurance/management system can be considered well-functioning for this contract. If a tenderer is certified in accordance with ISO 9001 or equivalent quality assurance certifications, it is sufficient to enclose a copy of a valid certificate.

Critère: Certificats délivrés par des organismes indépendants concernant les normes d'assurance qualité

Description du critère de sélection: Requirement: Tenderers shall have a documented and implemented environmental management system. Documentation requirement: A brief description of the tenderer's environmental management system that the tenderer will use for carrying out this contract. The description must, however, be so detailed that the Contracting Authority can undertake an independent assessment of whether the tenderer's environmental management system can be seen as well-functioning for this contract. If a tenderer is certified in accordance with ISO 14001 or equivalent certifications, it is sufficient to enclose a copy of a valid certificate.

Critère: Certificats délivrés par des organismes indépendants concernant les normes d'assurance qualité

Description du critère de sélection: Requirement: Tenderers shall have a documented and implemented HSE system. Documentation requirement: A brief description of the tenderer's HSE system. The description must, however, be so detailed that the Contracting Authority can undertake an independent assessment of whether the tenderer's HSE system can be considered well-functioning for this contract. The response must state that the HSE system will comply with the requirements in the Internal Control Regulations. If a tenderer is certified in accordance with ISO 45001 or equivalent certifications, it is sufficient to enclose a copy of a valid certificate.
