Critère: Inscription à un registre du commerce

Description du critère de sélection: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Critère: Autorisation ou adhésion à une organisation particulière nécessaire pour les contrats de services

Description du critère de sélection: Is it necessary to have specific authorisation from a particular organisation in order to provide the service in the tenderer's home country?

Critère: Autorisation ou adhésion à une organisation particulière nécessaire pour les contrats de services

Description du critère de sélection: Is it necessary to have a particular membership in a particular organisation in order to provide the service in the tenderer's home country?

Critère: Mesures pour garantir la qualité

Description du critère de sélection: For goods or services that are complicated or that in exceptional cases shall be used for a particular purpose: Will the tenderer allow checks of the tenderer's production capacity or technical capacity and, where necessary, of the survey and research facilities that the tenderer has at its disposal and of quality control measures? The inspections shall be undertaken by the contracting authority or the contracting authority can leave it to a competent public body in the country where the tenderer is established.

Critère: Échantillons, descriptions ou photographies sans certification d'authenticité

Description du critère de sélection: Procurement of goods: The tenderer presents supplies that shall be delivered, requested samples, descriptions or photographs, which do not need to be accompanied by certificates that they are genuine.

Critère: Échantillons, descriptions ou photographies avec certification d'authenticité pour les contrats de fourniture

Description du critère de sélection: When procurement of goods: If requested, the tenderer further declares that they will deliver the requested certificates that they are genuine.

Critère: Certificats délivrés par des instituts de contrôle de la qualité

Description du critère de sélection: Can tenderers submit the requested certificates issued by official bodies for quality control, and who can confirm that the goods, which are clearly identified by reference to technical specifications or standards, as determined in the notice or in the procurement documents, are in accordance with these?

Critère: Certificats délivrés par des organismes indépendants concernant les normes d'assurance qualité

Description du critère de sélection: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements?

Critère: Certificats délivrés par des organismes indépendants concernant les systèmes ou normes de gestion environnementale

Description du critère de sélection: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards?

Critère: Autres exigences économiques ou financières

Description du critère de sélection: This requirement only applies to Norwegian tenderers.

Requirement: Tenderers must have their tax, payroll tax and VAT payments in order in accordance with the legal provisions and the tenderer must not have significant arrears. Any arrears or other irregularities must be justified. Documentation requirement: Tenderers shall document the requirement through the certificate "Information on tax and duties". The certificate shall be of the type "RF-1507" and not "RF-1316". Tenderers can order such a certificate from the Norwegian Tax Administration on behalf of their activities. Tenderers are asked to enclose the certificate in the tender or submit it on request. The tax certificate must not be older than six months calculated from the deadline for receipt of tenders. Read about the certificate here: <https://www.skatteetaten.no/skjema/opplysninger-om-skatt-og-avgift/>

Critère: Qualifications éducatives et professionnelles pertinentes

Description du critère de sélection: Requirement: The tenderer, or employees at the tenderer are required to have experience from at least 1 similar assignment in the last three years.

Similar assignments mean an agreement for the delivery of books to a library with a value of minimum NOK 1,000,000 excluding VAT. Documentation requirement: Complete the annex "The Tenderer's experience" or other document with equivalent information. If another document is used, the response shall be maximum 1 A4 page. The response shall not include a cover page or table of contents. Any pages after page 2 will not be considered. Any links etc. in the reply will not be considered.

Critère: Ratio financier

Description du critère de sélection: Requirement: Tenderers must have the financial capacity to execute the contract. The tenderer is required to be credit worthy, minimum A, in accordance with Dun & Bradstreet's service riskguardian suite (<https://riskguardian.bisnode.no>), or have the financial capacity to execute the contract based on the contracting authority's discretion. Documentation requirement: The Contracting Authority will carry out their own assessment of the supplier's finances through RiskGuardian Suite. Tenderers can enclose other necessary information if they believe that RiskGuardian Suite does not provide a correct picture of the financial situation. The RiskGuardian Suite service includes all Nordic countries. As a general rule, the Contracting Authority will not accept credit ratings from other company and accounting information systems than RiskGuardian Suite due to equal treatment of the tenderers. Foreign tenderers outside the Nordic countries will, however, use and accept credit appraisal through Dun & Bradstreet's service Credit (<https://credit.dnb.com/>). Tenderers that the contracting authority cannot find a RiskGuardian Suite (or Credit for suppliers outside the Nordic countries), e.g. newly established tenderers who have not built up a basis for a credit rating, must enclose a declaration/guarantee from a parent company/owner /bank or similar financing institutions, regarding the company's financial and economic position.

5.1.10. Critères d'attribution

Critère:

Type: Prix

Nom: Price

Description: Tenderers shall fill in the attached price form in their cost calculations and submit it as an annex to the tender in Excel format. All fields in the attached price form marked with yellow shall be completed. Missing the price fields can cause difficulties in assessing the tender and the tender can then be rejected. All prices are in NOK, excluding VAT, including all direct or indirect expenses and duties that could be incurred in connection with the delivery. Order fees and invoice fees are to be seen as expenses. The prices shall include all costs for the customer who is included in this competition, including the procurement commission. Costs that the tenderer knows will be incurred, but that are not specifically stated in the tender, will be seen as included in the stated costs. State whether a tenderer is open for a higher discount when ordering a higher number of copies per title. The volumes that give the discount, as well as the product groups for which this can be granted, must be stated. The price indication is the discount % on indicative prices. Deliveries of Arts Fund books are seen as a distribution assignment that is carried out on behalf of the Cultural Council of Norway. Tenderers shall be able to offer shelf ready marking ("Fix done") as well as ready plastering for such deliveries. This delivery shall follow the current regular rates. The tenderer's product and price list shall be presented upon request from the customer. Plastering and RFID marking shall be included in the price. Freight to the customer shall be included in the offered prices. Additional service: Customers receive books from the Cultural Fund. These shall be RFID marked and plastered. Tenderers shall state the price in the price form for this, including freight out to the customer. Evaluation: The total sum stated in the price form will form the basis for the evaluation. When assessing the price, a hybrid model with break point 1 is used.

Catégorie du critère d'attribution poids: Pondération (pourcentage, valeur exacte)

Nombre critère d'attribution: 75

Critère:

Type: Qualité

Nom: Service and delivery

Description: Service: suppliers are asked to describe whether publishing meetings and author visits are offered. Any terms for this, the number per annum and where this will be held.

tenderers are asked to describe whether bibliographical data is offered and any terms thereof.

Delivery: Tenderers are asked to give a brief description of the process from when the order is received, until the ordering is initiated by the Customer, including: handling orders that are difficult to procure (sold out from the publisher etc.) routines for handling and feedback to the Customer in cases where they are unable to obtain the ordered goods, delays, wrong orders and returns. The response shall be maximum 3A4 pages. The response shall not include a cover page or table of contents. Any pages after page 3 will not be evaluated. Any links etc. in the reply will not be evaluated. The response shall be enclosed in a separate pdf form.

Evaluation: This award criteria will be assessed based on the tenderer's description of the award criteria. A total procurement assessment of the described system will be carried out during the evaluation. Best solution will be awarded the highest score (10). Other solutions will be awarded a point score relative to the best solution. The tenderer's total points for this award criteria is weighted with the award criteria's weighting percentage.
