Identifiant interne: 26/02714

Type de procédure: Ouverte

La procédure est accélérée: non

Principales caractéristiques de la procédure et informations sur l'endroit où obtenir les règles complètes applicables à la procédure: The aim of the procurement is to enable contract specialists to share and read journal documents with other members in the Norwegian Health Network, through the contract specialist systems. Shared journal documents shall be made available for health personnel with appropriate requirements and for inhabitant. Tenderers are encouraged to consider the services as a part of the infrastructure that can be integrated in their own innovation and product development processes. Clarifications related to these processes will be carried out continuously with NHN. The contracting authority intends to enter into a contract with up to four tenderers. The total limit for the contracts is up to NOK 12 million excluding VAT. It is a prerequisite for the implementation of the procurement that a contract will be signed with a minimum of two EPJ tenderers for the contract specialists.
