#### 5.1.9. Critères de sélection

Sources des critères de sélection: Avis
Critère: Ratio financier
Description du critère de sélection: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows: Minimum qualification requirements Tenderers shall have sufficient economic and financial capacity to fulfil the contractual obligations. The contracting authority will undertake an overall assessment of whether the qualification requirement is fulfilled. Documentation requirement: A credit rating based on the most recent available accounting figures. The credit rating must not be older than 3 months calculated from the deadline for

receipt of tenders. The rating shall be carried out by a credit rating company with licence to conduct this service. Approved annual accounts for the last three years including notes and auditor's report for the auditor obliged companies. If there are no approved annual accounts for the previous year, the provisional result and balance sheet must be submitted confirmed by the auditor/accountant. The auditor's contact information is to be provided. Declaration of satisfactory economic and financial implementation ability, signed and completed, see Annex 6. The contracting authority reserves the right to obtain a credit report in order to verify that the tenderer fulfils the requirement. If the tenderer has a justifiable reason for not submitting the documentation that the Builder has demanded, he can document his economic and financial capacity by presenting any other document that the Builder deems suitable.

Critère: Autres exigences économiques ou financières
Description du critère de sélection: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers shall have their tax and VAT payments in order. Documentation requirement: Tax and VAT certificate, not older than 6 months calculated from the deadline for submitting a tender. Tenderers with offices in other EEA countries shall submit certificates or other legal documentation in accordance with EEA public procurement regulations. Other international tenderers shall submit equivalent documentation. If the tax certificate is older than six months calculated from the date the contracting authority gives the award decision, a new tax certificate must be submitted.

Critère: Références sur des travaux spécifiés
Description du critère de sélection: Only for public building and construction works: During the reference period the tenderer has carried out the following work of the requested type. The contracting authority can require up to five years experience and allow experience from the previous five years to be taken into consideration. Minimum qualification requirements Tenderers shall have sufficient experience with carrying out assignments (i.e. not just led and administered) assignments with a transferable value to this contract. Experience that the tenderer's current manager or offered project manager or the offered assistant project manager has worked with other suppliers within one of these roles, is to be seen as the tenderer's own experience. The builder will assess whether the reference projects in total give the tenderer sufficient experience. Documentation requirement: An account shall be given of up to three reference projects with comparative value in the last 8 years. In addition to identifying the project, the following account shall be included in the description of each reference project that the tenderer would like to invoke: • Description of the building/site for which the reference project applies. • The central work tasks in the reference project. • The reference project´s size (original crown value) measured in NOK, including VAT. • The duration of the reference project If the reference project concerns personal experience, the following shall be stated in addition to the above: • Description of the function in question • The extent of the participated in the project (%-vis the position and extent in time). A description of each reference project shall be enclosed in a separate form, cf. Annex 2. The builder will undertake a total assessment of the submitted reference project from the tenderer and from any sub-suppliers that the tenderer has relied on, cf. point 5.3.

Critère: Certificats délivrés par des organismes indépendants concernant les normes d'assurance qualité
Description du critère de sélection: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements The tenderer shall have a

suitable and implemented quality assurance system. Documentation requirement: A general account of the tenderer´s quality system as well as a copy of the table of contents. The account shall be on approx. two sides. If a tenderer is certified in accordance with ISO 9001 or equivalent certification schemes, it will be sufficient to fulfil the requirement.

Critère: Certificats délivrés par des organismes indépendants concernant les systèmes ou normes de gestion environnementale
Description du critère de sélection: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements
