Titre: Invitation to pre-qualification: Procurement of Aircrew Survival Vest (ASV) and Aircrew Plate Carrier (APC)

Description: The Norwegian Armed Forces shall hold a restricted tender contest for the procurement of new survival and protective equipment for air crews. The procurement includes two separate lots: Lot 1 – Aircrew Survival Vest (ASV) This sub-procurement applies to new survival vests for crew members in all of the Armed Forces helicopter types, including AW101-612 and MH-60R. ASV shall see to both the flotation function (rescue vest) and carrying the necessary survival equipment. Lot 2 – Aircrew Plate Carrier (APC) This sub procurement applies to ballistic plate carriers for air crews that operate in environments with increased threat levels, including maritime counter-terror operations. The plate carrier shall provide ballistic protection, be compatible with the Norwegian Defence's existing plates, and ensure sufficient mobility in combat situations and during demanding operations. The objective of the procurement is to ensure that the Norwegian Armed Forces' air crews are equipped with modern, ergonomic and secure systems that support operations in demanding maritime and tactical environments. The equipment shall be robust, tolerate Norwegian climate conditions and contribute to safe and efficient operation of the Norwegian Armed Forces helicopters. The procurement will result in two separate framework agreements, one for ASV and one for APC. It is possible for one tenderer to win both lots. Tenderers seeking prequalification must present documentation that demonstrates that they fulfil the qualification requirements.

2.1.6. Motifs d'exclusion

Sources des motifs d'exclusion: Document unique de marché européen (DUME), Avis, Document de marché

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Fraude: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Blanchiment de capitaux ou financement du terrorisme: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Participation à une organisation criminelle: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Infractions terroristes ou infractions liées aux activités terroristes: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body,

or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Travail des enfants et autres formes de traite des êtres humains: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Manquement aux obligations dans le domaine du droit environnemental: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Manquement aux obligations dans le domaine du droit du travail: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Manquement aux obligations dans le domaine du droit social: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Accords avec d'autres opérateurs économiques en vue de fausser la concurrence: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Faute professionnelle grave: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Fausse déclarations, dissimulation d'informations, incapacité de présenter les documents requis ou obtention d'informations confidentielles sur cette procédure: Have the tenderer:a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met,b) failed to provide such information,c) subject to immediately submitting the supporting documents requested by the Contracting Authority, ord) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflit d'intérêt créé par sa participation à la procédure de passation de marché: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Association directe ou indirecte à la préparation de cette procédure de passation de marché: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Résiliation, dommages et intérêts ou autres sanctions comparables: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public

contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Manquement à des obligations liées à des motifs d'exclusion purement nationaux: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Manquement à l'obligation relative au paiement de cotisations de sécurité sociale: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Manquement à l'obligation relative au paiement d'impôts et taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

État de cessation d'activités: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Faillite: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Concordat: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvabilité: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Biens administrés par un liquidateur: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Situation analogue à la faillite prévue dans la législation nationale: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

La participation n'est pas réservée.

5.1.9. Critères de sélection

Sources des critères de sélection: Document unique de marché européen (DUME), Avis, Document de marché

Critère: Inscription à un registre professionnel pertinent

Description du critère de sélection: Requirements to the contractor's registration

REQUIREMENT: The contractors must be registered in the Central Coordinating Register of Legal Entities or the Chamber of Commerce in the state where the contractor is established.

DOCUMENTATION REQUIREMENT: Norwegian contractors: - Certificate of Registration

Foreign contractors: - Confirmation that the contractor is registered in the Central Coordinating Register of Legal Entities or a Chamber of Commerce in the state where the contractor is established.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Mandatory requirements REQUIREMENT: The contractor shall ensure that it properly fulfils its obligations regarding the payment of tax and VAT. Tax certificates which are not older than 6 months calculated from the application deadline.

DOCUMENTATION REQUIREMENT: Tax certificate means: For Norwegian contractors: •

Certificate issued by a tax collector or the Norwegian Tax Administration regarding: Value

added tax, Tax, Payroll tax. For foreign contractors: • Foreign contractors must submit

corresponding certificates from their countries, documenting proper fulfilment of their

obligations regarding the payment of taxes and duties. • If the authorities in the relevant

country do not issue such certificates, the contractor must submit a declaration which confirms

that all taxes and duties are paid. The declaration must be approved and signed by the

contractor's CFO/financial manager.

Critère: Autres exigences économiques ou financières

Description du critère de sélection: Regarding requirements for the contractors' economic and financial capacity REQUIREMENT: The contractor must have sufficient necessary economic and financial capacity to execute the contract. It is sufficient in order to fulfil the requirements that the contractor has achieved the credit rating "A" or similar. DOCUMENTATION REQUIREMENT: Credit rating from an acknowledged credit rating company based on the latest accounting data. The credit rating must not be older than 3 months. or The contractor's financial statements (including notes with the director's report and auditor's statement) from the past 2 years. If the financial statements for the previous year are not completed upon expiry of this tender, the preliminary financial statements for the previous year shall also be enclosed.

Critère: Mesures pour garantir la qualité

Description du critère de sélection: Requirements to the contractors' technical and professional qualification REQUIREMENT: The contractor must have an efficient and documented management system including routines and structure depicting how the contractor complies with relevant airworthiness requirements regarding the products or services that are delivered under this procurement. The system must be connected to executive unit(s), and shall as a minimum contain the following: 1) The Contractor shall demonstrate the capability to comply with the intent of EMAR 21 Subpart O for design and production, either through existing approval(s) or by employing subcontractors that hold existing or equivalent approvals. 2) description of the company's system in relation to reporting to the users of the equipment and their competent airworthiness authority, of identified failures, malfunctions and defects of the relevant equipment, that may lead to an unsafe condition 3) a description of the resources that are necessary to establish, implement, maintain and continuously improve the management system. 4) description of the company's system relation to control and availability of manuals, service bulletins and information to the user of the equipment DOCUMENTATION REQUIREMENT: The Contractor shall demonstrate the capability to comply with the intent of EMAR 21 Subpart O for design and production, either through existing approval(s) or by employing subcontractors that hold relevant approvals. Documentation may include: • Current EMAR 21 Subpart O (or EASA Part 21O, DAOS) approval, if held; • Identification of subcontractors performing design and/or production, including their EMAR 21 Subpart O, EASA Part 21 Subpart O, DAOS, AS9001, ISO 9001 or equivalent approval references and certificates; • Description of existing management systems implemented in the organisation, which ensures that the system is or will be in compliance with the listed EMAR 21 Subpart O requirements, for example, continuation of responsibility to approved subcontractors from abroad towards the Norwegian military airworthiness authority • A plan showing how compliance with EMAR 21 Subpart O will be ensured prior to contract award. If the contractor is certified pursuant to EMAR 21 Subpart O, EASA Part 21 Subpart O, DAOS or equivalent, it is sufficient to submit a copy of a valid certificate. If a contractor uses the capacity of other entities to meet this requirement, the contracting authority may require that they be jointly and severally liable for the performance of the contract. If so, the contractor shall describe the system how the requirements for other entities are met and forwarded to the Norwegian airworthiness authority and users of the equipment.

Critère: Mesures pour garantir la qualité

Description du critère de sélection: Requirements to the contractors' technical and professional qualification REQUIREMENT: The contractor must have an efficient quality management system that at least comply with the following requirements: 1) the contractor must have

routines to assure that all laws and regulations, that are part of the contractor's business relevant for the contract, are in compliance. 2) The contractor must have established a quality management system for Fairtrade that will assure that the contractor is suitable to fulfil the contractual obligations for Fairtrade, cf. Annex G Ethical guidelines. The quality management system shall as a minimum contain: -Traceability in the supply chain – a description of important supply chains for this procurement. Ethical guidelines for the supply chain shall be enshrined and implemented; Ethical guidelines/Code of Conduct and a declaration establishing that these guidelines are binding for the supply chain regarding this procurement. DOCUMENTATION REQUIREMENT: The following shall be attached as documentation in order for the contractor to be compliant with the requirements: 1) A description of the contractor's methods for quality management. If the contractor is certified pursuant to ISO 9001 or equivalent standards, it is sufficient to submit a copy of a valid certificate.

Critère: Mesures de gestion environnementale

Description du critère de sélection: Requirements to the contractors' technical and professional qualification REQUIREMENT: The contractor must have an efficient and documented environmental management system including routines and structure depicting how the contractor complies with relevant environmental requirements regarding the products or services that are delivered under this procurement. The system must be connected to the executive unit(s), and shall as a minimum contain the following: 1) An environmental policy 2) An overview of the most severe environmental impacts caused by the company 3) Proof that the company demands relevant environmental requirements from their subcontractors 4) a description of the environmental management and responsibilities within the company 5) description of the company's contingency plan in relation to the risk of negative environmental impact description of the resources that are necessary to establish, implement, maintain and continuously improve the environmental management system. DOCUMENTATION REQUIREMENT: Description of environmental management measures that are implemented in the business, which assures that the system is in compliance with the listed requirements. If the contractor is certified pursuant to ISO 14001, Miljøfyrtårn, EMAS or equivalent standards, it is sufficient to submit a copy of a valid certificate.
