2.1. Nós imeachta

Teideal: Regional Maritime cooperation 'Assistance mechanism for the European Sea basins
strategies in the Atlantic, Western Mediterranean, Black and North Seas'

Cur síos: This procedure is to conclude one single contract to continue providing technical
assistance services for the implementation of four EU sea basin strategies: Atlantic Ocean,
Black Sea, Western Mediterranean and North Sea. The European Ocean Pact recognises the
benefit of sea basins cooperation and indicates that the EU will continue supporting it and
developing tailored strategies for each European sea basin. The service contract will support
the European Commission, Member States and third countries involved in the implementation
of the agreed policy objectives and priorities, through specific activities at national and regional
level, tailoring the specificities of each regional sea basin. Activities will include the provision of
specific expertise on the blue economy, regional work on maritime spatial planning, support to
smart specialisation partnerships, support to coastal communities at the sea basin level, blue
skills, capacity building, administrative support to relevant public authorities, stakeholder
community, national hubs and thematic working tracks, dissemination and communication
activities, partnership building and match-making, project definition and identification of
funding opportunities, organisation of annual events and workshops, reporting, logistic support
to the SBS Steering Committee meetings, among others.
