Creat-chomhaontú:

Creat-chomhaontú, gan an iomaíocht a athoscailt

An t-uaslíon rannpháirtithe: 1

An bonn cirt atá le fad an chreat-chomhaontaithe: The embedded and strategic nature of the Contracting Authority Enterprise Infrastructure and associated services amounts to a core enterprise system serving the broader public service and to replace and transition from such a system in a shorter period would cause significant disruption to the workings of the Contracting Authority and the delivery of services. The financial cost for the Contracting Authority in procuring the services will amount to a significant investment and this investment could not be optimised and the necessary return achieved if the services were required for a shorter period and would ultimately not deliver value for money on behalf of the taxpayer.
