2.1.4. Eolas ginearálta

Eolas breise: Economic operators are encouraged to seek clarification of any uncertainties and ambiguities by asking questions about the Tender Material. Furthermore, it should be noted that this tender is conducted as a 'Negotiated procedure with prior call for competition', and that adjustments to the Tender Material may occur as part of potential negotiations. As part of the application, economic operators must ensure that a duly completed version of the European Single Procurement Document (ESPD) is submitted. The ESPD is the economic

operator's 'self-declaration' serving as preliminary evidence that the economic operator is not subject to the mandatory and, if selected, voluntary grounds for exclusion and meets the requirements for suitability. According to Executive Order no. 1078 of 29/06/2022, § 11, economic operators for the current tender must not be subject to the mandatory exclusion grounds specified in sections 134a, 135, and 136 of the Public Procurement Act. Furthermore, economic operators for the current tender must not be subject to the exclusion grounds listed in section 137, paragraph 1, no. 2. Economic operators covered by the included exclusion grounds in sections 135-137 may only participate in the tender if documentation of reliability is presented, cf. section 138 of the Public Procurement Act. The contracting authority will request a "Serviceattest" (<https://erhvervsstyrelsen.dk/serviceattest-ved-udbud>) as documentation that economic operators are not subject to the exclusion grounds specified in section 135, paragraph 1, 2, and 3 (and if selected, section 137, paragraph 1, no. 2) of the Public Procurement Act. If the economic operator originates from another Member State, they must provide equivalent documentation in the version and/or from the authorities relevant in that Member State. The contracting authority reserves the right at any time during the procurement procedure to request an applicant or tenderer to submit documentation if necessary to ensure that the procedure is carried out correctly. The EU sanctions against Russia entail that economic operators subject to EU sanctions under EU Regulation no. 833/2014 as amended, article 5k, are excluded from participating in the tender. By submitting an application, the applicant confirms not to be subject to this. Conditions for participation in the form of consortia or through the use of supporting entities are described in the Tender Material. The contracting authority reserves the right to complement, supplement, or complete applications and tenders. Site visit at Havnegade 120, 5000 Odense; In connection with the tender procedure, an inspection of the site of installation will be made available at Havnegade 120, 5000 Odense in week 17-18 prior to the submission of application. The inspection constitutes a voluntary opportunity for tenderers to familiarize themselves with the site prior to the submission of tenders. No additional information will be provided on the day, other than a brief introduction by the Contracting Authority and a guided tour. Any specific questions must subsequently be submitted in writing via Comdia, and responses will be published in the Q&A section of Comdia. Prior registration is mandatory and must be submitted to Thomas Havers at th@fjernvarmefyn.dk and/or Laura Meyer Hansen at lmh@fjernvarmefyn.dk.

Critéar: Riachtanais eacnamaíochta nó airgeadais eile

Cur síos ar an gcritéar roghnúcháin: The applicant must provide their equity (total equity incl. share capital, reserves, revaluation, retained earning etc.) in accordance with the accounting practices applicable to the applicant from the most recent available annual report in ESPD part IV.B, 'Financial ratio'. The most recent available annual report refers to the report available at the time of the application deadline. The applicant's equity must be positive. If the applicant relies on the capacity of one or more entities (e.g., a parent company, sister company, or subcontractor) or is a group of economic operators (e.g., a consortium), information regarding ESPD part IV.B must also be provided in a separate ESPD for each of these entities, cf. section VI.3 'Additional information'. It is the applicant's responsibility to ensure that the minimum requirement concerning equity is met collectively through consolidation when the application is based on the capacity of other entities or if the applicant is a group of economic operators (e.g., a consortium). As documentation, the contracting authority will request the most recent available annual report(s).

Critéar: Tagairtí ar sheachadtaí sonraithe

Cur síos ar an gcritéar roghnúcháin: The applicant must, in ESPD Part IV.C: performance of deliveries of the specified type or in the document Spread sheet for references provide up to 3 references which all meet the following requirements: the deliveries must have been completed within the past 5 years counted from the application deadline, and the references must include delivery of at least, or comparable to, an automatic operated filter press as described in the tendered scope of supply. The applicant should ensure that the following information is provided for all references: a) Recipient of the delivery (including contact information), and b) Detailed description of the delivery content, and c) Delivery period (start and completion of the delivery, specifying exact dates). If the applicant relies on the capacities of other entities, the references for these must be provided in the supporting entity's ESPD or in a separate version of the document Spread sheet for references. A group of economic operators (e.g., a consortium) must meet the requirement jointly. The contracting authority does not expect to request additional documentation for the references but reserves the right to use the contact information provided to verify the submitted information.

Eagraíocht athbhreithniúcháin: Danish Complaints Board for Public Procurement

Eolas faoi spriocdhátaí athbhreithnithe: According to the Danish Complaints Board for Public Procurement Act etc. (the Act can be downloaded at www.retsinformation.dk), the following deadlines for filing a complaint apply: Complaints about not having been selected must be submitted to the Danish Complaints Board for Public Procurement within 20 calendar days, cf. Section 7(1) of the Act, from the day after sending a notification to the candidates concerned about who has been selected, when the notification is accompanied by a statement of reasons for the decision in accordance with Section 2(1)(1) of the Act and Section 171(2) of the Public Procurement Act. In other situations, complaints about tenders, cf. Section 7(2) of the Act, must be submitted to the Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting entity has published a notice in the Official Journal of the European Union that it has entered into a contract. The deadline is calculated from the day after the date on which the announcement has been published. 2) 20 calendar days from the day after the contracting entity has announced its decision, cf. Section 185(2) of the Public Procurement Act. No later than the same time that a complaint is submitted to the Complaints Board for Public Procurement, the complainant must inform the contracting entity in writing that a complaint is submitted to the Complaints Board for Public Procurement and whether the complaint has been submitted during the standstill period, cf. Section 6(4) of the Act. In cases where the complaint has not been submitted during the standstill period, the complainant must

also state whether the complaint is to be given suspensive effect, cf. Section 12(1) of the Act. The Complaints Board for Public Procurement's e-mail address is stated in Section VI.4.1). The Complaints Board for Public Procurement's complaint guide can be found at: www.erhvervsstyrelsen.dk.
