We have been informed that a tenderer is experiencing technical issues to submit his tender. He is in contact with F&T portal helpdesk. This helpdesk had to escalate the issue to the developers as there is an issue from EC side that prevents the tenderer to enter in submission page after setting his 2-factor authentication. We have no certainty that the issue will be solved by 24/04/2026 16:00. We need then to extend the deadline.
