An cineál nós imeachta: Oscailte

Tá an nós imeachta á bhrochtú: níl

Príomhghnéithe an nós imeachta: Stable operation of the network infrastructure will depend on the products that are connected to the municipality's network being compatible with each other. See the detailed description in SSA-K Annex 3 the Contracting Authority's Technical Platform. The need for the procurement of network equipment will typically occur when the existing equipment achieves end-of-life, when there are expansions, changes in the existing network, new establishment or moving departments. The call-off of consultancy services will occur in connection with the above points. The framework agreement shall cover all of the municipality's entities and applies to: Hardware as specified in the requirement specifications - Licences and support - Consultancy services, consultancy, installation and configuration services (e.g. project manager and participants in major network developments for the establishment of schools, new buildings etc.)
