2.1. Nós imeachta

Teideal: Framework agreement for pest control

Cur síos: The aim is to ensure professional, effective and environmentally friendly pest control in accordance with the current rules. The contract includes individual assignments and materials (main procurement), as well as an option for service agreements for buildings.

Individual assignments and materials: Individual assignments include inspections, advice, controlling and prevention of pests in and outside municipal buildings/properties. The contracting authority can, if needed, ask for a fixed price for all types of assignments. The contracting authority reserves the right to procure products (materials) for self-mapping/self-control of up to NOK 4,000 excluding VAT per purchase from other tenderers. The contracting authority would like the option to enter into service agreements for the municipality's various buildings as needed. This can be both preventive contracts with rodents and black soilmaur or service contracts for municipal institutional kitchens. Service agreements shall apply per building. See annex 1 - the Contracting Authority's requirement specifications for further information.
