2.1. Nós imeachta

Teideal: 26/00278 Canteen services - The Norwegian Directorate for Radiation Protection and Nuclear Safety.

Cur síos: The Directorate for Radiation Protection and Nuclear Security (DSA) shall enter into an ongoing service contract for canteen operations in DSA's premises in Østerås in Bærum municipality. Address: Grini Næringspark 13, 1361 Østerås. The service includes daily operation of DSA's canteen, including regular lunch offers for employees and guests and delivery of meeting food. The delivery can also include serving at major events. The Contracting Authority can, if needed, ask the Tenderer to offer stand-by services connected to the canteen operation. Employees should find that they get a good offer at a reasonable price, which ensures that as many employees as possible want to use the canteen offer. The canteen offer shall be built on food enjoyment, freedom of choice and variety and follow the health authorities' dietary recommendations. The contracting authority also aims at ensuring that the canteen service is climate friendly. See the attached requirement specifications for further guidelines and the requirements for the operation and tender. A contract shall be signed with one tenderer and the canteen is wanted to be in full operation from 1 October 2026. The customer encourages potential tenderers to carry out a site inspection of the canteen premises to ensure that the tender is adapted to the actual conditions in the best possible way. The date of site inspection will be agreed directly with the DSA, cf. the tender documentation.
