2.1. Nós imeachta

Teideal: Digital cleaning system

Cur síos: IKTNH shall hold a tender contest for a digital cleaning system. We consider all participating municipalities in this joint procurement to be a joint tender competition. The municipalities of Alver, Aurland, Austrheim, Austevoll, Fedje, Gulen, Masfjorden, Modalen, Osterøy, Samnanger, Vaksdal and Sveio have established a joint ICT operations company, IKT Nordhordland municipal co-operation (IKTNH). IKTNH has entered into operational cooperation with Etne, Tysnes and Vindafjord. These municipalities have entered into a contract for co-procurement with IKTNH in this tender competition. This enquiry is mainly for: - Procurement of a digital cleaning system. The procurement shall ensure future orientated systems for the municipalities in the cooperation, as well as to the greatest possible degree contribute to simplifying, improving and digitising work processes connected to cleaning in buildings for the municipalities. The offered system must be in continual development and give users access to new versions and functionality. This also applies for the national joint components. The municipalities shall be offered new technologies as and when they become available and interesting. The functionality shall be available after the simplest possible price model that does not limit development, and with the greatest possible integration between different services and technologies. It is also a requirement that the system and the agreement, in all relevant areas, support an ever closer cooperation between the different municipalities and any new municipalities that become part of the cooperation. The tenderer shall contribute to the municipalities' work for sharing competence, training and experience exchange between the municipalities in the entire process. We require that the tenderer actively contributes to achieving all our aims. See the tender documentation for further information on the competition.
