Teideal: RA-26-012-ALL Framework agreement for workwear, footwear and protective equipment for the Gjøvik region.

Cur síos: The objective of the procurement is to enter into framework agreement(s) for the purchase of workwear, footwear and protective equipment for the Gjøvik region. The procurement is divided into five sub-contracts. Tenderers can submit tenders for one or more sub-contracts. The contracting authority can award one or several sub-contracts to the same tenderer, or award different sub-contracts to different tenderers. Tenders cannot be submitted for individual product lines within each sub-contract. Further details on the delivery, including requirements for products, assortment, delivery, ordering, environment, reporting and other requirements, follow the requirement specifications, requirement descriptions, price forms and other procurement documents. The framework agreement(s) are not exclusive. The contracting authorities are not obliged to procure a specific volume from the chosen supplier (s), and the estimated values and volumes are not binding for the contracting authorities. The contracting authorities reserve the right to cover needs outside of the framework agreement(s), where justifiable, including conditions not included in the framework agreement(s), special user needs, acute needs, lack of assortment accessibility, breach, or where the procurement regulations allow for other legal procurements.
