2. Nós imeachta

2.1. Nós imeachta

Teideal: Framework agreement for technical fire consultancy services.

Cur síos: Nordland County invites tenderers to a competition for a 3 year framework agreement for technical fire consultancy services. In addition there is an option on one year. The estimated value of the procurement is NOK 6 million. The maximum value is NOK 7.2 million. Fire engineering consultants shall ensure that our projects fulfil the current requirements for fire safety, provide consultancy and decision support to the project manager, and contribute to efficient planning, engineering design and execution with reduced risk of deviations and delays. The framework agreement does not include engineering design services for projects for new buildings. It also does not include engineering design to a large extent or in renovation and maintenance projects that affect several disciplines. It is the contracting authority's enquiry/call-off that determines which services and extent shall be included in each assignment and will be concretised in the call-off.
