All of the offered furniture shall be suitable for use in public environments, aimed at school and teaching buildings and office buildings and have an expected lifetime of 15-20 years. The furniture must be of quality that is in accordance with the use stated in the objective of the procurement. The furniture shall have a design, weight and choice of materials that facilitates efficient and good cleaning. The furniture shall safeguard intentions for universal design as well as concrete functions and design aspects such as design, material processing and colouring.
