2.1. Nós imeachta

Teideal: Framework agreement communication services for science recruitment

Cur síos: The aim of the procurement is to establish a framework agreement for the provision of uniform communication services that shall support the contracting authority's strategic and operative communication work. The framework agreement shall ensure access to relevant competence and capacity within communication consultancy services, content production and further development and management of the entity's digital communication areas. In order to ensure efficient, secure and stable management of the digital surfaces, it is necessary that the tenderer also provides hosting and technical support for the systems. A complete description of the delivery is in Part II Annex 1 of the Contracting Authority's requirement specifications.
