An cineál nós imeachta: Idirbheartaíocht lena mbaineann foilsiú roimh ré glao ar iomaíocht / iomaíocht lena mbaineann idirbheartaíocht

Tá an nós imeachta á bhrostú: níl

Príomhghnéithe an nós imeachta: The procurement is divided into two discipline packages: • Discipline package 1 – RIX (consulting engineers, all engineering disciplines) • Discipline package 2 – ARK (architects) Economic operators may apply to participate in one or both discipline packages. Qualification, evaluation and award will be carried out separately for each discipline package. The procurement procedure is a negotiated procedure with prior call for competition, conducted in two stages. In the qualification stage, the economic operator must fulfil the qualification requirements set out in the competition rules. If more candidates qualify than the number to be invited, a selection will be made in accordance with the selection criteria. For Discipline package 1 – RIX, 5–8 candidates will be invited to submit tenders. For Discipline package 2 – ARK, 3–6 candidates will be invited to submit tenders. The contracting entity may invite fewer candidates than stated if an insufficient number of qualified candidates is available. The intention is to enter into parallel framework agreements with three suppliers for RIX and two suppliers for ARK. The number may be reduced if, for example, the

contracting entity chooses to terminate or not to extend the framework agreement with one or more suppliers, or if a sufficient number of satisfactory tenders is not received.
