5.1.15. Teicnící

Creat-chomhaontú:

Creat-chomhaontú, gan an iomaíocht a athoscailt

An t-uaslíon rannpháirtithe: 1

An bonn cirt atá le fad an chreat-chomhaontaithe: The maximum duration of the framework agreement is six years. The longer contract period is due to the contract's requirements for materials, capacity and security of delivery. Tenderers must be able to use several suitable vehicles at the same time and maintain the necessary capacity throughout the contract period. This can lead to investments or long-term financing and leasing obligations. A maximum contract period of six years will give a better opportunity to distribute such costs over the contract period and be assessed to facilitate competitive prices and broader participation in the competition.
