Eolas faoi spriocdhátaí athbhreithnithe: The description of the time limits for review procedures. (English) Chapters XI and XII of the PPA discuss the Public Procurement Complaints Commission and the appeals process. An appeal must be submitted in writing to the Commission within 20 days from the date the complainant knew or should have known about the decision, action, or inaction that they believe violates their rights. A request for the ineffectiveness of a contract can be submitted to the board within 30 days from the aforementioned date. However, a request for the ineffectiveness of a contract cannot be made more than six months after the contract was concluded. The following applies to the determination of the deadline: • When appealing a decision on the selection of a tender or other decisions in accorandance with paragraphs 1 and 2 of Article 85, the deadline begins upon the publication of the notifications mentioned therein, provided they contain the required information. • When requesting the ineffectiveness of a contract which was concluded without prior publication of a tender notice, the start of the deadline is based on the publication of the contract notice in the Official Journal of the European Union, provided it includes the buyer‘s justification for not advertising the procurement.
