Tá an nós imeachta á bhrostú: níl

Príomhghnéithe an nós imeachta: The aim of the procurement is to ensure competent "Smart Hands" services, primarily connected to NRK's 2 data centres. NRK's computer centres are built and established on modern systems and standards that follow best practice. They are operated by professional suppliers who, together with NRK, set high requirements for tidiness and routines for installation and use. NRK believes that "Smart Hands" services connected to physical installation and maintenance of equipment and systems in their data centres. This includes network equipment, including cabling, servers, storage and media specific equipment that shall be assembled and established. NRK assumes that there will be an SLA connected to any contract and that there will be variations in volume and needs throughout the contract period. As an option NRK reserves the right to use the contract at potentially other NRK locations, if it is deemed suitable for the NRK. See the tender documentation for complete information, 13 annexes.
