Naslov: Finavia: Food & Beverage Unit to Schengen Gate Area 28-29 at Helsinki Airport - Concession Notice - Request to Participate

Opis: Finavia grants possession of business premises at the Schengen airside of Helsinki Airport, to an Tenderer specializing in professional, ambitious, and distinctive restaurant / Food & Beverage concepts and/or brands with a unique atmosphere, high-quality offering and excellent service. Finavia is seeking an attractive restaurant / Food & Beverage concept that complements our already diverse range of Food & Beverage services at Helsinki Airport, creates a unique sense of place, and further enhances Helsinki Airport's customer experience. The tender includes a two-story unit located in a visible landmark location in the Helsinki Airport Schengen airside area between gates 28-29, directly along lively passenger routes. The upper floor will serve as an elevated à la carte restaurant with table service. The lower floor will serve as an elevated all-day Food & Beverage concept with either counter-order and/or table-service. The brand/concept should be positioned in an upper-scale segment compared to the Helsinki Airport's overall selection: providing high quality, elevated and premium feel offering a clear uplift to everyday life, while remaining affordable, approachable and avoiding niche or overly exclusive positioning. The tenderer may propose one unified brand/concept for both floors, or two distinct but complementary brands/concepts to each floor. The unit includes compact kitchen facilities. Potential expansion or upgrading of kitchen capacity is investigated and evaluated during later procurement phases. Investments, including mid-term refurbishments are expected from the Operator. Finavia's vision is to offer world-class services for air passengers and airlines. At the heart of our strategy is the development of Helsinki Airport. World class customer experience will distinguish us from our competitors. Our customer promise "For smooth travelling" underlines the vision and kept by actions lead by customer experience pillars: GIFT OF TIME "I have time to do the things I like" CONFIDENCE "I have a feeling that I am on top of things" REFRESHED "I feel good - body, mind and soul" FINNISH EXPERIENCE "I experience something unique".

2.1.4. Opće informacije

Dodatne informacije: Finavia's vision for the tendered unit is to offer a high quality dine in experience that creates unique moments across all touchpoints - products, service, and interior design - coming together to deliver an elevated atmosphere and a feeling of being cared for before your flight. Excellent customer experience is one of the key objectives at Helsinki Airport and the elevated experience of this unit must be visible across several

dimension and key success factors, as further described below. Positioning and Value-for-Money The concept must be positioned in the upper-scale segment compared to the general F&B offering seen at downtowns and at Helsinki Airport. This means: - a premium-feel environment and atmosphere - high-quality ingredients and a high share of products prepared on-site - attentive and warm hospitality - a consistent, smooth and hassle-free experience throughout the customer journey At the same time, the concept must remain affordable and approachable, appealing to all departing passengers. The concept and its selection must reflect a strong value-for-money perception: high-quality products and service delivered at a fair and justified price point, portion sizes, consistency, and service quality that supports the perceived value, actively avoid of negative value-for-money perception. The goal is to provide a clear uplift to everyday life without becoming niche or overly exclusive. Concept Structure and Customer Experience by Floor Upper Floor – Elevated À La Carte Experience The upper floor will operate as a à la carte restaurant featuring: - an ingredient-forward, food-led concept, high-quality table service - a atmospheric environment - a sense of indulgence and attention to detail. The design, service and menu must work seamlessly together to create a refined and memorable dine-in moment. Lower Floor – Elevated All-Day Food & Beverage Experience The lower floor provides an elevated but slightly more relaxed all-day eat-in and drink-in experience: - premium but approachable ambiance - faster-paced operational capability - consistent quality - a well-designed offering and customer flow to serve travellers on the move, including takeaway products suitable for flights. Fluent service and well-designed fast options are crucial in the dynamic airport environment however emphasising the dine-in experience. Customer Journey and Experience Principles Both floors should embody: - Calm & Aesthetics – a visually coherent, relaxing atmosphere - Exceptional Hospitality – warm, attentive, and proactive service - Attractive Dayparts – relevant offering from morning to evening - Destination Appeal – a place travellers actively choose to visit - Compelling Impulse – attractive grab & go items and visible temptations The operator must demonstrate strong competence and creativity in concept development, storytelling, and understanding of customer needs in an airport environment. Brand, Naming and Design Requirements Brand & Naming The restaurant/concept name must support the desired positioning and ambiance. The tenderer shall propose 1–3 alternative names, each with a short rationale outlining: - how the name supports the storytelling and attracts appetite, - how it fits the desired positioning, - how it resonates with local & international travellers. Finavia will approve the final name. Interior Design The look & feel must: - reinforce the elevated positioning - include interesting details and high-quality finishing - prioritize functional design to ensure smooth operations and support a seamless, effortless customer journey - use durable materials suitable for an airport environment Target Group and Location The centrally located unit at Schengen gates 27–28 serves all passengers with access in the Schengen area of the terminal. Primary target groups include: - food-oriented travellers and experience-seeking consumers -customers looking for a relaxed, high-quality sit-down meal before departure - business lunch guests and airport staff during daytime - to a significantly smaller extent: arriving passengers. The concept must attract international and local travellers alike. Availability and Operational Requirements - The unit must follow Helsinki Airport's unified commercial opening hours and the unit must be open to all potential customers without purchasing obligation - Part of the offering—preferably the lower floor—must be scalable to 24/7 service - Service must be fast, smooth and reliable at all times of day. Continuous Development, Quality Commitment and Investments The Operator must commit to: - continuous improvement of commercial and qualitative performance - aligning its offer with Helsinki Airport's evolving overall commercial mix, - delivering a Quality Promise covering key success factors like food quality, value for money, service excellence, and high maintenance of the premises. The concept requires investments as well as mid-term refurbishments by the Operators to maintain the expected standard. The Unit: Ref. of floor plan

(s): 2761 Size: Approximately 632m2 in total Location: Schengen Airside between gates 28-29
Preliminary transition timeline: The construction of the premises is planned to start 1st of January 2027. The opening date of the unit is planned to be 1st of April 2027.
