Naziv: Climate and environment

Opis: REQUIREMENT: Under the award criteria, the contracting authority will evaluate how the tenderer will ensure a delivery with low environmental impact, including the tenderer's plan for further reduction of the environmental impact during the execution of the contract. The contracting authority will emphasise the following: • Climate and environmental impact from vehicles used for the execution of the assignment, including the proportion of zero emission and low emission vehicles. • To what degree the tenderer is planning and carrying out the transport in a way that reduces unnecessary driving, driving distance and idling. • Other binding environmental measures that are offered. Emphasis will be put on whether the descriptions are concrete and project adapted. DOCUMENTATION REQUIREMENT:

Tenderers shall submit the following: • Completed Annex 2 - The tenderer's solution description (one response per lot the tender is submitted for). Tenderers shall describe how they shall, throughout the contract period, ensure that the delivery has a low environmental impact and how they will work for further reduction of the environmental impact, in accordance

with the listed points. The description shall be concrete and sufficiently detailed so that the contracting authority has a good understanding of the tenderer's approach and measures to take climate and the environment into consideration during assignments. The response to the award criteria "Climate and Environment" shall be at maximum 3 A4 pages. Type Open Sans, font size 10 points or larger and normal margins shall be used. Responses beyond the stated page limit will not be evaluated. If a tenderer submits a tender for more than one sub-contract, the side limitation applies per lot.
