Dokumentacija o nabavi

Kriterij: Ostali ekonomski ili financijski zahtjevi

Opis kriterija odabira: Requirements of the tenderer's economic and financial capacity.

Tenderers must have sufficient financial capacity to fulfil the contract. In order to fulfil the requirement, it is sufficient for the tenderer to be assessed as credit worthy based on Experians Commercial Delphi score. If a tenderer is assessed lower than credit worthy, the contracting authority can undertake an overall assessment based on additional information. The contracting authority will obtain a credit rating from Experian. If there is doubt, the Contracting Authority can obtain further information from the tenderer.

Kriterij: Tehničari ili tehnička tijela za kontrolu kvalitete

Opis kriterija odabira: Requirements regarding the tenderer's technical and professional qualifications. Tenderers shall have relevant experience. The following central works/areas are particularly relevant: Experience with the delivery of equivalent equipment requested in this procurement. Documentation requirement: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall present the following documentation proof if requested by the contracting authority: - An overview of at least 3 (maximum 5) of the most important, relevant work performed during the last three years, including a short description of the assignment, the name of the public or private recipient, as well as information on value/amount/scope and date. A tenderer who is newly established and cannot submit references, must be particularly careful to document and substantiate that they still have the prerequisites required to carry out the assignment. Newly established tenderers can document that the requirement is fulfilled by referring to experience that the offered persons/resources have built up in the service of others than the tenderer.

Kriterij: Tehničari ili tehnička tijela za kontrolu kvalitete

Opis kriterija odabira: Requirements regarding the tenderer's technical and professional qualifications. The tenderer must have sufficient implementation ability. Documentation requirement: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall present the following documentation proof if requested by the
