Naslov: TenneT - insurance broker services

Opis: Tender Description – Insurance Brokerage Services TenneT intend to procure comprehensive insurance brokerage services covering its activities in Germany (TenneT TSO GmbH) and the Netherlands (TenneT TSO B.V.). The procurement is structured into three separate lots (the "Lots"), for which bidders may submit offers for one, several, or all Lots. The objective of this procurement is to appoint one or more highly qualified insurance broker(s) capable of delivering high-quality, proactive, and strategic support across the full insurance lifecycle, ensuring optimal coverage, competitive pricing, and efficient claims handling for complex onshore and offshore operations as well as specialty risks. The contracting authorities are TenneT TSO GmbH & TenneT TSO B.V. TenneT is a leading European Transmission System Operator (TSO) with its main activities in the Netherlands and Germany. TenneT is one of the largest investors in national and international electricity grids on land and at sea. Our focus is on developing an integrated Northwest European energy market and facilitating the energy transition. TenneT is committed to meeting society's needs by being responsible, engaged and connected. Tender Procedure TenneT is a "contracting entity" subject to the Public Procurement Act 2012. The notice for this Call for Competition will be published via tender platform Merccell Source-to-Contract to the Official Journal of the European Union available at <http://ted.europa.eu>. The Call for Competition will be based on the negotiated procedure with prior publication, which means that initially an interested market party may apply as a Candidate. Details on general tender procedure can be found in the document "Procedure Guidelines". Lots The scope of services is divided as follows: Lot 1: Onshore Policies – Engineering / Property / Liability Lot 2: Offshore Policies – Engineering / Property / Liability Lot 3: Specialty Policies handled from Netherlands Lot 4: Specialty Policies handled from Germany Each Lot comprises advisory, placement, and ongoing servicing of insurance solutions tailored to the respective risk profiles. Scope of Services The selected broker(s) shall provide end-to-end insurance brokerage services, including but not limited to the following service components: Team & Availability: Provision of a qualified, experienced,

and dedicated service team with sufficient capacity and availability. The broker shall ensure continuity of key personnel and provide clear escalation paths. Broking & Policy Management: Strategic advice on insurance design and structuring, market analysis, placement and renewal of insurance programs, preparation and negotiation of policy wordings, and ongoing policy administration. Claims Management: Proactive claims handling and support throughout the entire claims lifecycle, including notification, coordination with insurers, advocacy on behalf of the contracting authority, and monitoring of claims performance. Reporting, KPIs & Performance Management: Regular, structured reporting on program performance, market developments, claims experience, and premium evolution. Definition, monitoring, and continuous improvement of agreed key performance indicators (KPIs). Transition & Onboarding: Seamless transition from incumbent arrangements, including structured onboarding, data transfer, and implementation of service processes ensuring uninterrupted coverage and service continuity. Geographic Scope All services must be provided for both the German and Dutch entities of the contracting authority. The broker is expected to demonstrate sufficient local presence, regulatory capability, and market access in both jurisdictions to ensure compliant and effective service delivery. In order to protect the confidentiality of the information provided by the client in the tender documents, it is mandatory to conclude a confidentiality Agreement as per "NDA" document provided for download via Mercell. Please send the signed and stamped copy to: holger.duba@tennet.eu After sending the NDA and a plausibility check by the Client, the Client will grant the interested parties access to the tender by Email. After registering for the tender at Mercell Source-to-Contract, you will find all tender documents in the call for competition phase under "Questionnaires", section "Call for Competition", question 1.1. The bidder can not deduce eligibility for participation only from signing and submitting the NDA. TenneT will only accept tenderers who successfully qualify during the call for competition phase to participate in the offer phase. The application for the call for competition must be submitted in due time and no later than by 10.07.2026 at 12:00 CET via the e-Award platform Mercell Source-to-Contract. Individual extensions of time will not be granted. Please start your upload process early enough. Submission of the request to participate (applications) by Email, mail or fax are not permitted. A violation of this requirement will lead to disqualification of the applicant and exclusion from the tender process. Please make sure to familiarize yourself with the Schedule, Questionnaires, Messages section and the Q&A section early enough and thoroughly read through all relevant documents. 5.1.10. Kriteriji za dodjelu

Kriterij:

Vrsta: Cijena

Naziv: Price

Opis: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= "best price") receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.

5.1.10. Kriteriji za dodjelu

Kriterij:

Vrsta: Cijena

Naziv: Price

Opis: The tender includes a price sheet as an attachment. The bidder submits the prices on the price sheet. The formats are fixed and the same for all bidders. Under this award criterion, the total price is evaluated. This is indicated as a total on the price sheet. The bid with the lowest bid price (= "best price") receives the full points for this criterion. The bid prices of the remaining bids are linearly interpolated and compared to the lowest bid price. Bid prices that exceed the threshold of 200% of the lowest bid price are awarded 0 points.
