Opis: The Norwegian Defence Materiel Agency (FMA) is the contracting authority and responsible for implementing the procurement. FMA is a part of the defence sector, directly under the Ministry of Defence (FD). FMA shall ensure that the Norwegian Armed Forces and other entities in the defence sector have access to cost efficient and secure material and services in line with approved long-term plans. FMA's main assignments are planning, procurement, management and disposal of material for the Norwegian Armed Forces and other departments under FD. Organisational reasons can be required during the contract period to transfer the resource to Cyber Defence's IT Department (CIT) DRIV. DRIV is responsible for the technical operation and further development (DEVSECOPS) of the Joint Integrated Management System (FIF). FIF is a SAP ERP system integrated with a number of other different applications. Internal processes are based on flexible frameworks (Scrum, SAFE), the Security Act and different industry standards for safety and ITIL for operation. DRIV consists of approx. 150 persons, most of whom are located in Oslo. Both employees and consultants staff the organisation. The aim of this notice is to fill the role of ABAP developer in project P1160 "Critical Upgrade of ERP" and support one or several product teams within one or several product areas in CIT DRIV. The consultant shall strengthen the product area's capacity within ABAP, primarily towards a transition from ECC to S/4 Hana. Secondary towards operation and development of user specified functionality. The role shall contribute with experience and knowledge from previous upgrades and will work closely with the Development Architect, Value Management Office and product team. The role can involve cooperation with any other departments and/or projects in the Norwegian Armed Forces.

confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Sukob interesa koji proizlazi iz sudjelovanja u postupku javne nabave: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents? Izravno ili neizravno sudjelovanje u pripremi ovog postupka javne nabave: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Prijevreteni raskid, naknada štete ili druge usporedive sankcije: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Kršenje obveza utvrđenih na temelju isključivo nacionalnih osnova za isključenje: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Kršenje obveze plaćanja doprinosa za socijalno osiguranje: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Kršenje obveze plaćanja poreza: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Suspendirane poslovne aktivnosti: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Stečaj: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
