Na kriterijima će se temeljiti odabir natjecatelja koji će biti pozvani u drugu fazu postupka

Kriterij: Reference na određene isporuke

Opis kriterija odabira: The suitability of applicants fulfilling the minimum requirements to economic and financial standing will be assessed on the applicants' technical and professional ability. The ability will be assessed based on references which can be filled in ESPD part IV.C. Please note that there is not any minimum requirements relating to the applicants technical and professional ability, however for the purpose of selection the applicant may submit references. The applicant is allowed to submit up to 5 most comparable and relevant references undertaken in the past 5 years as part of the application. By "undertaken in the past 5 years" implies that the reference must not have been completed prior to the date reached when counting 5 years backwards from the submission date for prequalification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, however the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the application, cf. section 2.3. The references should describe and include: • A specific description of deliveries, including: • Partial deliveries from the factory to a number of temporary storage areas • Hot-Dip Galvanized components with dimensions up to Ø2250 x 15000mm. • Supplies with the use of CO#-reduced steel • Place of delivery • Information about contact data (name, email and phone number) for references • Contract value (if possible) • Date of initiation and final delivery (day, month, year) Any ambiguities and/or incomprehensibility may have a negative effect on the selection of applicants. Please note the "description" box in ESPD part IV.C. can contain more text than is visible and it is possible to copy paste text into the box. The number of references should not surpass the 5 most comparable and relevant references. If the applicant is relying on the capacity of other entities or the applicant is a group of economic operators the maximum number of references to be submitted must still be respected and cannot exceed 5 when combined. If more than 5 references are submitted the Contracting Authority will only include the first 5 listed, starting with the application by the applicant or the applicant representing the group. Opis: For each lot: For the evaluation of the sub-criteria the tenderer is allowed to propose deviations to the elements of the contract identified as competitive elements in the contract

terms. The contract terms consist of: • Contract Agreement for Purchase Nyt Elnet Aarhus-Aabenraa, doc.no. 25/14930-10 (lot 1) • Contract Agreement for Purchase Nyt Elnet Sydsjælland, Lolland-Falster, doc.no. 25/14930-11 (lot 2) • Appendix 1 [General Terms and Conditions for Purchase], doc.no. 25/14930-9 (both lots) The deviations should be enclosed in the clarification list c.f. doc.no. 25/14930-8, and be included in the spreadsheet marked "Legal clarification". The submitted clarification list should be clearly marked "Lot 1" or "Lot 2". The proposed deviations should be explicit and with explanation as to why they are made. The tendered contract must be performed on the basis of the contract terms. The tenderer is allowed to propose explicit and well-explained deviations to the following listed competitive elements: - In the Contract Agreements, doc.no. 25/14930-10 (lot 1) and doc.no. 25/14930-11 (lot 2): • Section 4.2 in terms of: Clauses and sub-clauses in section 4.2, which are part of the competitive elements for Appendix 1. • Section 5 [Contract data] in terms of: Section 5, sub-clause 12.1 (Liquidated damages) Section 5, sub-clause 12.1 (Maximum amount of liquidated damages) Section 5, sub-clause 13.1 (Defects Notification Period) Section 5, sub-clause 13.4 (Defects Notification Period for replaced and repaired parts) Section 5, sub-clause 13.4 (Maximum Defects Notification period) Section 5, sub-clause 14.2 (Limitation of liability) - In Appendix 1 [General Terms and Conditions for Purchase], doc.no. 25/14930-9 (both lots): • Clause 9 (Time of Delivery) • Clause 11 (Intellectual property rights) • Clause 12 (Late-delivery or non-delivery) • Clause 13 (Defects and remedies) • Clause 14 (Limitation of liability) • Clause 15 (Product liability towards Customer) • Clause 17 (Indemnification) • Sub-Clause 20.4 (only the daily penalty amount) • Clause 25 (Termination) • Clause 26 (Termination for convenience) Deviations to these elements will be included in the evaluation and it is noted that any deviations may lead to a reduction of the score depending on the content, clarity, and consequence of the deviation. In this regard it is explicitly noted that deviations which are intended to limit liability and shift the financial risk in favour of the tenderer will be of particular importance in the evaluation. If the tenderer has no deviations to the contract terms, the maximum score of 10 will be awarded. An overall evaluation for each lot will be made of this sub-criterion.
