Identifikacijska oznaka postupka: 284c1277-9220-4667-b8b0-5b7472f038ec

Vrsta postupka: Pregovarački s prethodnom objavom poziva na nadmetanje / natjecateljski uz pregovore

Postupak je ubrzan: ne

Glavna obilježja postupka: The contracting entity will apply a competitive procedure with negotiations as the prior negotiations are necessary to guarantee that the works are perfectly adapted to the contracting entity's specific needs and because of the specific circumstances related to the design and performance of construction works in Greenland, and the risks attaching to them. The contracting entity will pre-qualify minimum two and maximum four candidates who will be invited to tender. To be considered for pre-qualification the candidates must meet the minimum requirements on economic and financial standing as well as technical and professional ability, as set out below and in the prequalification conditions. The economic operator cannot be subject to an exclusion ground as set out in the ESPD, that is part of the pre-qualification material and must be filled out by the economic operator. The economic operator must sign a statement on processing personal data and a statement concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine.
