2.1. Postupak

Naslov: Procurement of a digital learning platform for the defence sector.

Opis: The defence sector is currently using the Moodle Workplace learning platform. The learning platform is used to carry out digital learning on unclassified platforms (Internet), both as remote learning and physically in classrooms. The learning platform is integrated, or is planned to be, with several central systems in The Norwegian Armed Forces. The reason for the procurement is the need for a modern LMS solution that meets the organization's need for training and competence. The Norwegian Armed Forces need to procure an overall Learning Management System (LMS), delivered as a SaaS service on the Internet. The procurement shall include access to the LMS system itself, accompanying operation and management, as well as the necessary services for implementation, adaptation, further development and support. The need also includes consultancy services concerning technical configuration, integrations with the agency's other systems and development assignments. Beyond this, there will be a need to facilitate the use of artificial intelligence for the production of digital learning content and analysis. The goal of the procurement is to ensure a stable, secure and cost efficient operation, management and further development of the learning platform for the defence sector, so that the system always supports the agency's need for learning and competence development. This shall be done by procuring and developing an overall SaaS based LMS system that ensures a long-term and effective training. This is to support the Chief of Defense's plan from the year of 2020. The system must offer a high availability, performance and security, and the platform shall be further developed in line with changing organizational, pedagogical, and technological needs. Please read the procurement documents for further details on the procurement, including its extent.

Teški poslovni prekršaj: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Lažno prikazivanje, prikrivanje informacija, nemogućnost podnošenja traženih dokumenata ili prikupljanje povjerljivih informacija o ovom postupku: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Sukob interesa koji proizlazi iz sudjelovanja u postupku javne nabave: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Izravno ili neizravno sudjelovanje u pripremi ovog postupka javne nabave: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Prijevreteni raskid, naknada štete ili druge usporedive sankcije: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Kršenje obveza utvrđenih na temelju isključivo nacionalnih osnova za isključenje: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Kršenje obveze plaćanja doprinosa za socijalno osiguranje: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Kršenje obveze plaćanja poreza: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Suspendirane poslovne aktivnosti: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Stečaj: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
