Avviso di aggiudicazione di appalto – Servizi di pubblica utilità

Forniture

Base giuridica:

Direttiva 2014/25/UE

Sezione I: Ente aggiudicatore

I.1. Denominazione e indirizzi

Denominazione ufficiale: Merseyrail Electrics 2002 Ltd
Indirizzo postale: Rail House, Lord Nelson Street, Liverpool
Città: Liverpool
Codice NUTS: UKD North West (England)
Codice postale: L1 1JF
Paese: Regno Unito
Persona di contatto: Julia Jones
E-mail: jjones@merseyrail.org
Tel.: +44 1519552086
Indirizzi Internet:
Indirizzo principale: <http://www.merseyrail.org>

I.6. Principali settori di attività

Servizi ferroviari

Sezione II: Oggetto

II.1. Entità dell'appalto

II.1.1. Denominazione

ITSO and Contactless Europay, Mastercard and Visa (EMV) Compliant Platform Validator (PVAL) Equipment and Associated Services

II.1.2. Codice CPV principale

30233300 Lettori di smart carD - MA12 - MA08

II.1.3. Tipo di appalto

Forniture

II.1.4. Breve descrizione

Merseyrail Electrics 2002 Ltd (Merseyrail) is currently working with the Merseyside Passenger Transport Executive (Merseytravel) to provide an integrated “smart ticketing” scheme across the Merseyrail estate. The “Smart” programme has identified a requirement for Integrated Transport Smartcard Organisation (ITSO) compliant platform validators (PVAL) equipment and associated services within Merseyrail stations. PVAL will be required in two forms: free standing and wall mounted, with hardwired power supply and ethernet connectivity. There will also be an optional requirement for wireless and mobile communication solutions. The

requirement includes the provision of equipment, hardware and software design, development, testing, installation services, maintenance and ongoing service support. Further information on this opportunity and about Merseyrail can be found at Section V1.3 Additional Information.

II.1.6. Informazioni relative ai lotti

Questo appalto è suddiviso in lotti: no

II.2. Descrizione

II.2.2. Codici CPV supplementari

30123100 Obliteratrici - MA12, 30162000 Carte intelligenti, 60210000 Servizi di trasporto pubblico per ferrovia

II.2.3. Luogo di esecuzione

Codice NUTS: UKD North West (England)

Luogo principale di esecuzione: Potentially UK wide if the framework is called off by others as detailed at Section 11.2.4.

II.2.4. Descrizione dell'appalto

Merseyrail is currently working with Merseytravel to provide an integrated “smart ticketing” scheme across the Merseyrail estate. The “Smart” programme has identified a requirement for ITSO compliant Platform Validators (PVAL) equipment and associated services within Merseyrail stations. Merseyrail is offering the opportunity to provide this requirement. PVAL will be required in 2 forms – free standing and wall mounted, with hardwired power supply and ethernet connectivity. There will also be an optional requirement for wireless and mobile communication solutions. The requirement includes the provision of equipment, hardware and software design, development, testing and installation services. Maintenance and ongoing service support will also be required.

PVALs will conform to the ISO/IEC 14443 standard to allow reading of ITSO and Contactless Payment Cards (CPCs). They must also support the installation of an ITSO Security Application Module (ISAM), and be capable of interfacing with an ITSO Host or Operator Processing System (HOPS). PVALs shall operate within an ITSO infrastructure as defined by the ITSO 2.1.4 specification, ITSO on National Rail (NR) specification RSPS3002, and allow the collection and validation of ITSO products.

Merseyrail’s future vision is to allow customers to use CPCs for transit within, and potentially beyond, the Merseyrail area. This functionality will be delivered to ensure PVALs are EMV (Visa, MasterCard and American Express) enabled to read approved CPCs.

An integral part of the PVAL enablement is the requirement for CPC acceptance, this will include:

- EMV level 1 and 2 certification, and
- a tap landing area for the collection of CPC transaction data and provision of such data to an external fares and aggregation engine.

Adequate PCI DSS measures will be required within the PVAL unit and the tap landing Area to ensure the security of the cardholder data is not compromised.

To support the effective operation of PVALs an operational support system will be required to provide near real-time status of PVALs and the tap landing area and enable remote configuration and software updates.

The full specification, standards that need to be met and the approval requirements were provided at tender stage.

There is the potential for this framework to be called off by other Train Operating Companies (TOCs), Transport for the North (TfN), Department for Transport (DfT), Local Authorities and Transport Executives including but not limited to Merseytravel, Transport for Greater

Manchester (TfGM), West Yorkshire Combined Authority (WYCA) and South Yorkshire Passenger Transport Executive (SYPTTE) across the length of the contract. A full list of TOCs can be found at <http://www.raildeliverygroup.com/about-us/governance/licensed-associate-members> detailed under the Licensed members column.

The estimated value stated in Sections V.2.4 of up to 10 000 000 GBP reflects the potential value if the framework is also called off from Merseytravel and a number of TOCs. The value detailed at Section II.1.7 is the value of the framework if only called off by Merseyrail.

There is no guaranteed of business under any resulting Framework Agreement or contract, indeed there is no guarantee that any Framework Agreement or contract will be put in place in relation to this notice. No compensation, etc. will be paid if a tender or resulting Framework Agreement is withdrawn for any reason.

II.2.11. Informazioni relative alle opzioni

Opzioni: no

II.2.13. Informazioni relative ai fondi dell'Unione europea

L'appalto è connesso ad un progetto e/o programma finanziato da fondi dell'Unione europea:
no

II.2.14. Informazioni complementari

Sezione IV: Procedura

IV.1. Descrizione

IV.1.1. Tipo di procedura

Procedura negoziata con previo avviso di indizione di gara

IV.1.3. Informazioni su un accordo quadro o un sistema dinamico di acquisizione

L'avviso comporta la conclusione di un accordo quadro

IV.1.8. Informazioni relative all'accordo sugli appalti pubblici (AAP)

L'appalto è disciplinato dall'accordo sugli appalti pubblici: no

IV.2. Informazioni di carattere amministrativo

IV.2.1. Pubblicazione precedente relativa alla stessa procedura

Numero dell'avviso nella GU S: [2017/S 147-305075](#)

IV.2.8. Informazioni relative alla chiusura del sistema dinamico di acquisizione

IV.2.9. Informazioni relative alla cessazione dell'avviso di indizione di gara in forma di avviso periodico indicativo

L'ente aggiudicatore non aggiudicherà ulteriori appalti sulla base del summenzionato avviso periodico indicativo

Sezione V: Aggiudicazione di appalto

Contratto d'appalto n.: 1

Denominazione:

ITSO and Contactless Europay, Mastercard and Visa (EMV) Compliant Platform Validator (PVAL) Equipment and Associated Services

Un contratto d'appalto/lotto è stato aggiudicato: sì

V.2. Aggiudicazione di appalto

V.2.1. Data di conclusione del contratto d'appalto

14/03/2019

V.2.2. Informazioni sulle offerte

Numero di offerte pervenute: 2

L'appalto è stato aggiudicato a un raggruppamento di operatori economici: no

V.2.3. Nome e indirizzo del contraente

Denominazione ufficiale: INIT Innovations in Transportation Ltd

Indirizzo postale: Price House, 37 Stoney Street, The Lace Market

Città: Nottingham

Codice NUTS: UKF14 Nottingham

Codice postale: NG1 1LS

Paese: Regno Unito

Indirizzo Internet: www.init.co.uk

Il contraente è una PMI: sì

V.2.4. Informazione sul valore del contratto d'appalto /lotto

V.2.5. Informazioni sui subappalti

È probabile che il contratto d'appalto venga subappaltato
Valore o percentuale del contratto d'appalto da subappaltare a terzi: 60 %
Breve descrizione della porzione del contratto d'appalto da subappaltare:

Generally, the projects are carried out jointly by several subsidiaries. INIT Ltd will receive all necessary support from INIT GmbH in carrying out the project.

V.2.6. Prezzo pagato per gli acquisti di opportunità

Sezione VI: Altre informazioni

VI.3. Informazioni complementari

Merseyrail is an urban network of vital importance to the transport infrastructure of Liverpool and its environs, operating on the Wirral and Northern Lines within Merseyside. It is one of the most punctual and reliable railway networks in the UK, with consistently high scores for customer satisfaction.

At a glance:

- 75 route miles, outer termini at Southport, Ormskirk, Kirkby, Hunts Cross on the Northern Line, and New Brighton, West Kirby, Chester and Ellesmere Port on the Wirral Line.
- core city centre underground network, including 6,5 miles in tunnels and 5 underground stations, giving easy access to work, study, shopping and leisure.
- underground section includes the original Mersey railway tunnel opened in 1886,
- approximately 100 000 passenger journeys per weekday or 36 000 000 passenger journeys per annum,
- nearly 50 % of passengers are daily users,
- 67 stations of which 66 are managed by Merseyrail,
- one of the most intensively used networks in the UK with over 800 train services daily (Monday to Friday),

- clockface, regular interval timetable (15 minute frequencies, increasing to 5 minute on city centre sections),
- approximately 1200 staff,
- a fleet of 59 refurbished Class 507 and 508 trains.

Merseyrail is a unique concession in the UK as the Department for Transport has been delegated by Parliament to the Merseyside Passenger Transport Executive (Merseytravel) and the concession agreement is between Merseyrail and Merseytravel. This gives much better local control by local people of local services. Another unique feature is the length of the concession which is 25 years from 20.7.2003 with review dates along the way.

The concession is operated by Merseyrail Electrics 2002 Ltd, a 50/50 Joint Venture company between Serco and Abellio.

VI.4. Procedure di ricorso

VI.4.1. Organismo responsabile delle procedure di ricorso

Denominazione ufficiale: Merseyrail Electrics 2002 Ltd

Indirizzo postale: Rail House, Lord Nelson Street

Città: Liverpool

Codice postale: L1 1JF

Paese: Regno Unito

E-mail: jjones@merseyrail.org

VI.4.2. Organismo responsabile delle procedure di mediazione

Denominazione ufficiale: See Section VI.4.1)

Città: Liverpool

Paese: Regno Unito

VI.4.3. Procedure di ricorso

Informazioni dettagliate sui termini di presentazione dei ricorsi:

Merseyrail Electrics 2002 Ltd incorporated a standstill period, following award of the contract. The period commenced on the day following award notification, and was in accordance with The Utilities Contracts Regulations 2015, and all subsequent amendments and directives. At present, this standstill period shall be no less than 10 calendar days. This period allowed unsuccessful tenders to seek further debriefing from Merseyrail Electrics 2002 Ltd before the contract is entered into.

The Utilities Contracts Regulations 2015 provide for aggrieved parties who have been harmed, or at risk of harm by a breach of the rules, to take action. Any such action must be brought within 30 day (or the first working day thereafter) of the date when the aggrieved party knew or ought reasonably have known about the alleged breach. Where a contract has not been entered into, the court may order the setting aside of the award decision, or order the authority to amend any document and may award damages. If the contract has been entered into, the court may only award damages.

VI.4.4. Servizio presso il quale sono disponibili informazioni sulle procedure di ricorso

Denominazione ufficiale: See Section VI.4.1)

Città: Liverpool

Paese: Regno Unito

VI.5. Data di spedizione del presente avviso

02/05/2019
