2.1. Procedura

Titolo: BA-26-022-GK E3 Land pipeline

Descrizione: The procurement is for construction work in connection with the laying of water pipelines on land in stretch E6 to the water treatment facility (VBA), for Gjøvik municipality. The contract also includes the establishment of a temporary roundabout in Skumsrudvegen, establishment of site roads, excavation on land, work on cultivated land such as laying of water and sewage pipelines, reinventing matter and separation of rock from masses, drilling under Skumsrudvegen, pipe sheet for water and sewage routes skumsrudvegen-VBA, reception and laying of PE pipes and pipe parts, refill works, adjustments etc. Hammer drilling shall be carried out for 3 DN813, 1 DN457 pipe pipe under Skumsrudvegen, and pulling in water and sewage pipelines for a pipe under Skumsrudvegen. In addition this contract includes the establishment of a rigging site and construction road within an area that is currently used for agriculture. Other work, including the sea facility and the actual water treatment facility, will be established through several separate contracts. The contracting authority with the pipe supplier delivers PE pipelines to the stated area of the rigging site. The rigging site will be chosen by the builder in accordance with the prepared drawings. The delivery date must be adapted to the tenderer's progress, in the relevant time period. A binding delivery plan will be prepared in consultation with the pipe supplier and tenderer. Pipes are to be delivered and stored for 18 or 20 metres. The executing contractor on site shall be responsible for the development of rigging places and supply roads in a condition that enables deliveries of pipes up to the relevant delivery length. The receiving inspection and unloading of pipes from the vehicle will be carried out by the executing contractor in this contract. The works are further described in the tender documentation part III. The procurement's value is estimated to NOK 45,000,000 excluding VAT. The value is an estimate and is not binding for the contracting authority.

Base giuridica:

Direttiva 2014/25/UE

2.1.6. Motivi di esclusione

Fonti dei motivi di esclusione: Avviso

Situazione analoga al fallimento ai sensi della normativa nazionale: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Fallimento: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Corruzione: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Concordato preventivo con i creditori: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Partecipazione a un'organizzazione criminale: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on combating organised crime (EUT L 300 of 11.11.2008, p. 42).

Accordi con altri operatori economici intesi a falsare la concorrenza: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Violazione di obblighi in materia di diritto ambientale: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Riciclaggio di proventi di attività criminose o finanziamento del terrorismo: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Frode: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Lavoro minorile e altre forme di tratta di esseri umani: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvenza: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Violazione degli obblighi in materia di diritto del lavoro: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Amministrazione controllata: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in

such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

False dichiarazioni, omessa informazione, incapacità di fornire i documenti richiesti o acquisizione di informazioni confidenziali in merito alla procedura in questione: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award? Conflitto di interessi legato alla partecipazione alla procedura di appalto: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Partecipazione diretta o indiretta alla preparazione della procedura di appalto: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Grave illecito professionale: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Cessazione anticipata, risarcimento danni o altre sanzioni comparabili: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Violazione degli obblighi in materia di diritto sociale: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Violazione dell'obbligo di pagamento dei contributi previdenziali: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Cessazione di attività: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Violazione dell'obbligo di pagamento delle imposte: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Reati terroristici o reati connessi alle attività terroristiche: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Infrazione legata alla condotta professionale nell'ambito degli appalti della difesa: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Mancanza dell'affidabilità necessaria a escludere i rischi per la sicurezza del paese: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Violazione degli obblighi connessi a motivi di esclusione previsti esclusivamente dalla legislazione nazionale: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

La partecipazione non è riservata.

Progetto di appalto non finanziato con fondi UE

L'appalto è soggetto all'accordo sugli appalti pubblici (AAP): no

5.1.7. Appalto strategico

Obiettivo dell'appalto strategico: Riduzione degli impatti ambientali

Descrizione: Reduction of environmental impact

5.1.9. Criteri di selezione

Fonti dei criteri di selezione: Avviso

Criterio: Iscrizione in un registro di commercio

Descrizione del criterio di selezione: Tenderers are required to have a legally established company. Documentation requirements: * Norwegian companies: Company Registration Certificate * Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

Criterio: Altri requisiti economici o finanziari

Descrizione del criterio di selezione: Tenderers must have sufficient financial capacity to carry out the assignment. Documentation requirements: · Annual accounts for 2024 and 2025, auditor approved. · Credit rating based on the most recent financial figures. The rating shall be carried out by a credit rating company with a licence to conduct this service and it must not be older than 6 months calculated from the deadline for submitting a request for participation in the competition. The contracting authority reserves the right to carry out their own credit assessments in an independent company. If a tenderer has a justifiable reason for not submitting the documentation required by the contracting authority, he can document his economic and financial capacity by presenting any other document that the Contracting Authority deems appropriate. If a tenderer has any doubts, it is recommended that they contact the contracting authority and question what documentation this can be.

Criterio: Referenze su lavori specifici

Descrizione del criterio di selezione: Tenderers shall have sufficient relevant experience. When assessing "sufficient relevant experience", particular emphasis will be put on whether the tenderer (or supporting company) has carried out work with: · Laying of two or more parallel PE-pipes with dimension Ø500mm or greater in the same ditch. · Mirror welding of PE tubes with dimension Ø500mm or larger. · Experience with relevant ground work in agricultural

areas. Documentation requirements: A report shall be provided of relevant reference projects carried out in the last ten years. A total of four (4) reference projects can be referenced. The following information must be given on each of the projects: · Assignment and project description, including a description of the pipes that were laid (pipe dimension, pipe type and ditch length). · The contracting authority and gender neutral preferred, including contact information. · Duration of the contract that the tenderer has carried out. · The value of the contract that the tenderer has carried out The account shall be given on the form for reference projects, Annex C. The tenderer is required, through a description of reference projects, to identify the relevance for the assignment. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience was gained while the personnel have served another employer /business. Note that the same reference projects are used to possibly opt out of any redundant, qualified tenderers, cf. point 3.9 below.

Criterio: Misure per garantire la qualità

Descrizione del criterio di selezione: The tenderer shall have a suitable and implemented quality assurance system. The requirement must be fulfilled by the tenderer himself.

Documentation requirements: An account of the tenderer's quality assurance system as well as a copy of the table of contents. The account shall have a maximum of three A4 pages with the following formatting: - Margin: 2.5 cm. - Font: Arial (Body) font size 11 - Line spacing 1.5. If a tenderer is certified in accordance with ISO9001 or equivalent certification schemes, it will be sufficient to fulfil the requirement.

Criterio: Misure di gestione ambientale

Descrizione del criterio di selezione: Tenderers shall have a suitable and implemented environmental management system. The requirement must be fulfilled by the tenderer himself.

Documentation requirements: An account of the tenderer's environmental management system as well as a copy of the table of contents. The account shall have a maximum of three A4 pages with the following formatting: - Margin: 2.5 cm. - Font: Arial (Body) font size 11 - Line spacing 1.5. If the tenderer is certified in accordance with ISO 14001:2015, Miljøfyrtårn , EMAS or equivalent certification schemes, this will be sufficient to fulfil the requirement.

Criterio: Titoli di studio e qualifiche professionali pertinenti

Descrizione del criterio di selezione: Technical and professional competence and relevant experience is required of the following key personnel who shall be used for this assignment: · Manager · Site Manager

Documentation requirements: CVs shall be submitted for the two key persons (project manager and site manager), who ought to include: · Education · professional experience, · relevant courses · a description of the up to three most relevant reference projects for each key personnel. The tenderer is required to use the template for CVs to present relevant competence and experience. Only the key personnel's documented competence and experience shall be included in the evaluation. The tenderer's general references will not be assessed here. Annex E, Template for CVs shall be used. Note that the same CVs will be used to possibly opt out of redundant, qualified tenderers, cf. point 3.9.
