Titolo: P1223 - Navigation training vessels - Pre-Qualification Phase

Descrizione: This procurement covers the design, construction and delivery of two identical training vessels, with an option for two additional vessels (1+1) , to the Norwegian Armed Forces. The vessels shall be used for education and training in military practical navigation, in order to ensure that the required competence of future navigators in the Royal Norwegian Navy is maintained and further developed. The training concept is based on a recurring cycle of theoretical instruction, simulator training and practical navigation. The main teaching platform is the navigation system, which must be as close to identical as possible in the simulator and on board the vessels. In this context, the training vessels serve as a platform for bringing the navigation system to sea. The vessels shall be modern, reliable and representative of current standards, with primary emphasis on safe navigation, energy-efficient operation and pedagogical suitability. The vessels shall be built in accordance with civil (DNV) class. They shall be serially built, with a high degree of standardised civil components and subsystems, in order to ensure effective competition and keep operating costs at a low level. Each vessel shall have a length of less than 24 metres, be capable of achieving a minimum speed of 18 knots, and have a total installed engine power of less than 750 kW. The vessels shall be delivered fully equipped, including navigation systems and sensors, as well as the necessary support and documentation package for operation and maintenance.

Grave illecito professionale: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

False dichiarazioni, omessa informazione, incapacità di fornire i documenti richiesti o acquisizione di informazioni confidenziali in merito alla procedura in questione: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's

decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflitto di interessi legato alla partecipazione alla procedura di appalto: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Partecipazione diretta o indiretta alla preparazione della procedura di appalto: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Cessazione anticipata, risarcimento danni o altre sanzioni comparabili: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Violazione degli obblighi connessi a motivi di esclusione previsti esclusivamente dalla legislazione nazionale: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Violazione dell'obbligo di pagamento dei contributi previdenziali: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Violazione dell'obbligo di pagamento delle imposte: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Cessazione di attività: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
