#### 2.1. Procedura

Titolo: R01907 - Hire of building card readers

Descrizione: The procurement is for the hire of building card readers. The card readers will mainly be used for projects that are carried out by call-offs on our framework agreements. The contracting party is not required to provide a card reader, so the Norwegian Defence Estates Agency must provide a card reader itself so that we secure electronic overview lists. Estimated value: NOK 1,200,000 excluding VAT. Maximum value: NOK 1,630,000 excluding VAT.

Identificativo della procedura: 6bafefeb-be88-49eb-8101-0d1bbaac77ea

Identificativo interno: 2025/6484

Tipo di procedura: Aperta

La procedura è accelerata: no

Caratteristiche principali della procedura: The estimated volume (financial value) is calculated from the approximate need in the last 12 months and the expected future need. The contracting authority is not obliged to take out the estimated volume. Actual need in the contract period can be both lower and higher than estimated. The number of building card readers that will be needed per annum is very uncertain, as we do not have experience from this. Questions will not be answered in the period 05.06.-15.06.26 due to holidays.

Grave illecito professionale: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

False dichiarazioni, omessa informazione, incapacità di fornire i documenti richiesti o acquisizione di informazioni confidenziali in merito alla procedura in questione: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflitto di interessi legato alla partecipazione alla procedura di appalto: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Partecipazione diretta o indiretta alla preparazione della procedura di appalto: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Cessazione anticipata, risarcimento danni o altre sanzioni comparabili: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Violazione degli obblighi connessi a motivi di esclusione previsti esclusivamente dalla legislazione nazionale: The contracting authority shall state that in Norway there are national

rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Violazione dell'obbligo di pagamento dei contributi previdenziali: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Violazione dell'obbligo di pagamento delle imposte: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Cessazione di attività: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Fallimento: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Concordato preventivo con i creditori: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvenza: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

#### **5.1.9. Criteri di selezione**

Fonti dei criteri di selezione: Avviso

Criterio: Iscrizione in un registro di commercio

Descrizione del criterio di selezione: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Criterio: Rapporto finanziario

Descrizione del criterio di selezione: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows: Minimum qualification requirements Qualification requirement: Tenderers shall have sufficient financial solidity to handle the framework agreement. Documentation requirement: Credit rating of the tenderer, not older than six months calculated from the deadline for receipt of tenders. The result of the credit rating must be given as a graded value (letters or numbers) on a defined scale. The credit rating shall include an assessment of the tenderer's payment history/reliability. The tenderer shall, in addition, submit the accounting figures from the last two available annual accounts. Or by the accounts key figures stated in the credit rating. A new submission is not required. NB! If the tenderer, in order to comply with the requirement, presents guarantees from other companies (e.g. the parent company), an equivalent credit rating must be submitted for that company.

Furthermore, a legally binding confirmation must be enclosed from this company stating that they have joint and several liability under the contract. Recently established companies that cannot present a relevant credit rating can enclose alternative documentation that states, among other things, accounts/balance, key figures, payment history and payment remarks.

Criterio: Referenze su servizi specifici

Descrizione del criterio di selezione: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Qualification requirement: The tenderer (as a company) shall have relevant experience and competence within equivalent deliveries included in this contract. Documentation requirement: An overview of the three (3) most important deliveries within the card reader system for the construction site that the tenderer has carried out in the last three years, together with information on the contract's value, date of execution, as well as the name and contact information of the recipient of the services. The Norwegian Defence Estates Agency reserves the right to contact the listed reference persons in order to confirm the assignment.

Criterio: Numero di personale dirigenziale

Descrizione del criterio di selezione: The tenderer's number of employees in the management during the last three years was as follows: Minimum qualification requirements

Criterio: Media annuale della forza lavoro

Descrizione del criterio di selezione: The tenderer's average annual workforce in the last three years has been as follows: Minimum qualification requirements

Criterio: Proporzione di subappalto

Descrizione del criterio di selezione: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above. Minimum qualification requirements

Criterio: Certificati rilasciati da organi indipendenti riguardanti standard di assicurazione della qualità

Descrizione del criterio di selezione: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Qualification requirement: Tenderers shall have satisfactory management systems within quality that cover the activities included in the agreement. Documentation requirement: A copy of a certificate issued by an independent body confirms that the tenderer fulfils the quality assurance standard NS-EN ISO 9001:2015 or equivalent. If a tenderer is not certified, documentation shall be given that he has a good and well-functioning quality assurance system. Concrete assessment is made based on the submitted documentation.

Criterio: Certificati rilasciati da organi indipendenti riguardanti sistemi o standard di gestione ambientale

Descrizione del criterio di selezione: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental

management systems or standards? Minimum qualification requirements Qualification requirement: Tenderers shall have implemented a good and well-functioning system for environmental management that covers the activities included in the contract. This means that the tenderer works systematically to identify, reduce and follow-up their environmental impact on the entity and delivery through environmental management measures. Documentation requirement: This can be documented by: • certificate for ISO 14001, EMAS or equivalent environmental management standard, or • Other documentation that substantiates that the tenderer works systematically to reduce their environmental impact. Alternative documentation: Tenderers shall, as a minimum, describe the environmental management measures for the company, e.g. • the company's environmental policy or general principles for environmental work • concrete targets or KPIs connected to the environment or climate. • measures to reduce environmental impact (relevant for the delivery) • routines for follow-up and reporting of environmental performance. The contracting authority reserves the right to request detailed documentation.
