5.1.9. Criteri di selezione

Fonti dei criteri di selezione: Avviso

Criterio: Iscrizione in un registro di commercio

Descrizione del criterio di selezione: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Criterio: Altri requisiti economici o finanziari

Descrizione del criterio di selezione: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements REQUIREMENT: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. This is fulfilled by the tenderer being creditworthiness with no requirement for collateral, with a minimum credit score of A in accordance with an assessment made in CreditPro from the credit information agency Dun & Bradstreet. DOCUMENTATION REQUIREMENT: The contracting authority will obtain a credit report from Dun & Bradstreet CreditPro. The report contains, among other things, the auditor's report, negative payment remarks, accounts and credit history, and it shall be based on the last known accounting figures for Dun & Bradstreet. Companies that are not credit rated in Dun & Bradstreet CreditPro (this applies to foundations etc.), approved accounting figures shall show equivalent credit worthiness and financial ability to fulfil the contract. Any other document is to be presented that the contracting authority deems suitable.

Criterio: Referenze su forniture specifiche

Descrizione del criterio di selezione: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to

three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Tenderers shall have good/sufficient/well-functioning experience from comparable assignments. Description of up to 3 of the tenderer's most relevant contracts in the course of the last 3 years. The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience has been worked up while the personnel have served another service provider.

Criterio: Proporzione di subappalto

Descrizione del criterio di selezione: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above. Minimum qualification requirements

Criterio: Certificati rilasciati da organi indipendenti riguardanti sistemi o standard di gestione ambientale

Descrizione del criterio di selezione: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements **Description of the requirement/documentation:** Tenderers are required to be certified for environmental management, in the form of EMAS, ISO 14001 or Miljøfyrtårn .. Other certificates issued by bodies in other EEA bodies can also be submitted, provided that the tenderer can document that these are equivalent to EMAS or ISO 14001. The contracting authority will accept other documentation for equivalent environmental management measures if the tenderer is unable to obtain such certificates by the deadline, and this is not due to the tenderer himself. It is a prerequisite that the tenderer documents that these measures correspond to the requested environmental management systems or standards.
