II.1.4. Breve descrizione

NHS Supply Chain seeks to establish a non-exclusive Framework Agreement for the supply to the NHS Supply Chain customer base via the direct route of supply of Mobile and Strategic Clinical Solutions. The scope of the proposed Framework Agreement is intended to cover the following categories of services (listed as lots) and shall supplement the end and/or permanent facilities that the end users may wish to rent on a temporary basis. The length of service will be determined by the customer's local clinical requirement.

It is anticipated that in the first 24 months of the Framework Agreement the value of purchases will be in the region of circa 250 000 000 GBP. For the full 48 month term (if extended) the anticipated value is circa 600 000 000 GBP. These values are approximate only and are based on the most recent historical usage information, with a forecasted level of growth. The values provided are for guidance only and are not a guarantee of business.

II.1.5. Valore totale stimato

NHS Supply Chain expects to provide successful Suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment initiatives.

NHS Supply Chain will share savings information in order to assist its customers with making informed procurement decisions.

The Framework Agreement will be between NHS Supply Chain acting as an agent of the NHS Business Services Authority and the Applicant, however 1) NHS Supply Chain; 2) any NHS Trust; 3) any other NHS entity; 4) any government department, agency or other statutory body (for the avoidance of doubt including local authorities) and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Applicant for any of the Services under the Framework. Direct contracts placed under the Framework Agreement by parties other than NHS Supply Chain are between the party and the Applicant, NHS Supply Chain is not a party to those contracts. Such orders may arise after a mini competition process and Applicants should note that only NHS Supply Chain will be entitled to reopen competition under the Framework, unless express written consent from NHS Supply Chain is provided.

For the avoidance of doubt, and notwithstanding the estimate indicated at II.1.5, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Applicants that the framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English.

Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal at <http://procurement.supplychain.nhs.uk/ISS/> using the Message Centre facility linked to this particular contract notice.

Please note that the maximum number of suppliers as set out in IV.1.3 is an estimate only.
