5.1.9. Criteri di selezione

Fonti dei criteri di selezione: Avviso

Criterio: Sicurezza nel trattamento, conservazione e trasmissione di informazioni classificate

Descrizione del criterio di selezione: Information about the process and negotiations The procurement will be carried out as a negotiated procedure and it will start with a qualification phase that is open for all interested tenderers. Only tenderers who fulfil the qualification requirements will be invited to submit a tender. There will be one round of negotiations with the tenderers. The contracting authority reserves the right, however, to carry out negotiations in

several phases if deemed appropriate. If the contracting authority decides that negotiations are appropriate, the contracting authority reserves the right to reduce the number of tenders in accordance with the stated award criteria, both initially before the negotiations start and through the negotiations. The contracting authority reserves the right not to carry out negotiations.

Criterio: Iscrizione in un registro di commercio

Descrizione del criterio di selezione: Tax Certificate Tenderers shall have their tax, payroll tax and VAT payments in order. Documentation requirement: Tenderers shall present a tax and VAT certificate issued by a competent body in the tenderer's home country, or the country where the tenderer is established. The certificate shall not be older than six months from the tender deadline. If a request for participation in the competition is to be submitted, the certificate must not be older than six months calculated from the deadline for submitting the enquiry.

Criterio: Altri requisiti economici o finanziari

Descrizione del criterio di selezione: Requirements of the tenderer's economic and financial capacity. Tenderers must have sufficient financial capacity to fulfil the contract. In order to fulfil the requirement, it is sufficient for the tenderer to be assessed as credit worthy based on Experians Commercial Delphi score. If a tenderer is assessed lower than credit worthy, the contracting authority can undertake an overall assessment based on additional information. Documentation requirement: The contracting authority will obtain a credit rating from Experian. If there is any doubt, the contracting authority can obtain further information from the tenderer.

Criterio: Tecnici o organismi tecnici per il controllo della qualità

Descrizione del criterio di selezione: Requirements regarding the tenderer's technical and professional qualifications. The tenderer must have a reason. Tenderers shall present the following documentation: 1. Basic book/home information, or 2. Documentation confirming the right to use property if the tenderer is not the landowner. In addition to either 1st or 2nd years, the tenderer shall deliver a map showing the area planned to be used for a 24 hour resting place.

Criterio: Sicurezza della fornitura

Descrizione del criterio di selezione: Support from other entities and participation in communities The tenderer can, if necessary, rely on other companies' capacity to fulfil the requirements for economic and financial capacity and/or the requirements(s) for technical and professional qualifications. Documentation requirement: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall submit the following documentation: If a tenderer will use the capacity of other companies to fulfil the requirements for economic and financial capacity, a declaration of joint and several liability to the contracting authority must be submitted. If a tenderer will use the capacity of other companies to fulfil the requirements for technical and professional qualifications, each company shall submit a commitment statement or equivalent that documents access to the necessary resources. The commitment statement shall state which disciplines are available. Tenderers are encouraged to use a template for a commitment statement that is attached to this tender documentation. If a tenderer will use the capacity of other companies to fulfil the requirements of relevant experience, these entities shall carry out the services or the building and construction work that requires such qualifications. Each individual entity that the tenderer will use shall submit a separate ESPD form when submitting a tender.

Criterio: Autorizzazione o appartenenza a una particolare organizzazione necessaria per contratti di servizio

Descrizione del criterio di selezione: Participating in Communities Several tenderers can participate in the competition jointly. The community must see to the necessary documentation that all the qualification requirements are met. Tenderers who participate as a working partnership will be assessed collectively for the qualification requirements economic and financial capacity and technical and professional qualifications. Documentation requirement: Tenderers shall submit the following documentation: An account of the (work) community, including the role of each participant. Each individual entity in the (working) community shall submit a tax certificate. In order for the working partnership to be assessed collectively, commitment statements or equivalent must be presented between the tenderers who will use the capacity of other participants in the group. The template for the commitment statement is published on: <https://www.vegvesen.no/fag/veg-og-gate/konkurranser-og-kontraktsdokumenter/generelle-kontraktsdokumenter/>. Declaration of joint and several liability to the contracting authority. A description shall be given of how many placement places can be expanded with, and how requirements in 3.2 a can be fulfilled. Documentation requirement for point 4: Tenderers shall give an account of the progress plan and the planned opening date.

Categoria del criterio di aggiudicazione peso: Ponderazione (percentuale, esatta)

Criterio di aggiudicazione: numero: 30

Criterio:

Tipo: Qualità

Nome: Climate and environment

Descrizione: There is no requirement for 30% weighting of climate and environmental considerations. The contracting authority can replace climate and environmental considerations in the award criteria with climate and environmental requirements in the requirement specification, if it is clear that this gives better climate and environmental effect. Several different requirements are made in the requirement specification, including: - All areas that must be developed shall have an asphalt-EDP that is lower than 90 kg/tonne in accordance with NS-EN 15804+A2:2019. - Charging stations shall be established for electric lorries. - Cleaning shall be carried out with environmentally friendly products. It has been considered that the effect of setting these requirements (especially the first two hyphenated points) gives a better effect than a possible achievement, if they were used as the award criteria. The requirements and effectiveness of the above requirements are, in our opinion, sufficient to use the exception in PPR § 7-9 (4).
