Kriterijus: Nepriklausomų institucijų sertifikatai apie aplinkos vadybos sistemas ar standartus

Atrankos kriterijaus aprašymas: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements The contracting authority requires that all tenderers have implemented procedures and systems, certified by independent third parties, that ensure that the execution of this contract has a low impact on the environment. Documentation requirement: Certificate issued by an independent body approved for certification. The certificate must confirm that the tenderer's environmental management system complies with requirements in a relevant standard. Documentation is required that the tenderer either has an Eco-lighthouse certificate, is EMAS certified, is certified in accordance with ISO 14001, or have a valid certificate from other relevant environmental management schemes or standards. If a tenderer does not have such a certificate, the tenderer must provide other documentation for environmental management measures that are equivalent to a relevant environmental management scheme or standard. Tenderers must also document that the measures are equivalent to those required in accordance with such an environmental management scheme or standard. Tenderers who are qualified on the basis of other documentation for environmental management measures than

the third-party certification that is awarded the contract, will be obliged to carry out third-party certification of their environmental management system. This is further described in the contractual requirements that are included in the annex for changes to the standard contract.

5.1.10. Skyrimo kriterijai

Kriterijus:

Rūšis: Kaina

Pavadinimas: Price

Aprašymas: Lowest total price. The price for each price line will automatically be multiplied by the stated annual estimated volume. The volume calculation of the different products is an estimated number per annum and is only for evaluation purposes. The contracting authority is not bound by the estimated number. Documentation requirement: The completed price and product form can be found under the tab "Products" in Mercell. Tenderers must export the form to Excel to see all columns to be filled in. The form shall then be imported back into Mercell after it is completed. The prices shall be stated in NOK excluding VAT.

Kategorija skyrimo kriterijaus svoris: Lyginamasis svoris (procentinė dalis, tikslus skaičius)

Skyrimo kriterijus: skaičius: 80

Kriterijus:

Rūšis: Kokybė

Pavadinimas: Environment

Aprašymas: The Contracting Authority will award products marked with the Marine Stewardship Council, Friend of the Sea, Aquaculture Stewardship Council, REQUIREMENT, Debio Sustainability or Dabio Aquaculture. Certified products from wild catch will receive 100% profit and certified products from aquaculture will receive 50% value. Equivalent third party certified labelling schemes will also be paid, but the tenderer must prove that the marking scheme is equivalent. The contracting authority will award points based on the number of products covered by a relevant brand/certification scheme. When calculation of points on this criteria, the amount of the relevant products will be multiplied by an estimated volume (in number). In the price form under the tab "products" in Mercell, the tenderer shall mark which products this applies to and which scheme applies to the respective products. Tenderers shall also enclose documentation that shows that the products are covered by the current brand /certification scheme. If the products are part of several labelling schemes, this will not give a higher score under the criteria. The tenderer with the highest score will get 10 points on the criterion. The other tenders will get a score calculated after percentage deviations from the best score. Documentation requirement: Valid licence numbers are to be added to the Price and Product Form. Any certificates are uploaded under the tab "Dokumenter" ("Documents")
