Aprašymas: The environment will be weighted 10%. The minimum requirement specifications for engine technology (minimum stage V) and minimum requirements for fuel (biodiesel HVO100) are required. Use of electrical machines is considered, but not technically feasible as it lacks the necessary electrical charging infrastructure at the operational locations in Marka. It is considered clear that major environmental gains will be achieved by setting minimum requirements for emission technology Stage V or better, as well as bio-fuel, than what can be achieved by weighting the environment as the award criterion 30%. 5.1.9. Atrankos kriterijai

Pasirinkimo kriterijų šaltiniai: Pranešimas

Kriterijus: Įrašymas į prekybos registrą

Atrankos kriterijaus aprašymas: The tenderer shall be a legally established company.

Documentation requirements: Norwegian companies: Company Registration Certificate

Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Kriterijus: Finansinis santykis

Atrankos kriterijaus aprašymas: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: Credit evaluation/rating from a publicly certified credit rating institution, not older than 6 months before the deadline for receipt of tenders. The contracting authority reserves the right to obtain credit appraisal on its own initiative. If the tenderer has a justifiable reason (e.g. a recently started company) for not submitting the documentation required by the Contracting Authority, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Kriterijus: Rekomendacijos dėl nurodytų pristatymų

Atrankos kriterijaus aprašymas: Tenderers shall have experience from equivalent assignments. Equivalent assignments mean that the Tenderer has delivered tractors with a service contract. Documentation requirements: Short description of the most important deliveries in the last three years, including information on the contract's value, date of delivery as well as the name of the contracting authority and a description of the assignment's content.

Kriterijus: Technikai ar techninės organizacijos darbui atlikti

Atrankos kriterijaus aprašymas: Tenderers shall have sufficient capacity to fulfil the service agreement on the tractors. Documentation requirements: A description of the tenderer's average workforce and the number of employees in the management in the last three years, with particular emphasis on personnel connected to service, workshop and technical support.

Kriterijus: Aplinkos valdymo priemonės

Atrankos kriterijaus aprašymas: Tenderers shall be suitable for fulfilment of contractual requirements for due diligence assessments for responsible businesses, cf. the contract formulas point 12.1. This means that the Tenderer has implemented measures and systems that are used in the Tenderer's work to safeguard basic human rights and decent working conditions, as well as to prevent environmental degradation and corruption. Documentation requirements: A description of the tenderer's systems for working with due diligence assessments in accordance with the UN's guiding principles for business and human rights (UNGP) and OECD's guidelines for multinational companies. The documentation shall include:
* Formal policies/policies that cover an obligation to comply with the requirements of responsible businesses. See the tender documentation for detailed requirements for documentation and commitment statements.

Aprašymas: The environment will be weighted 10%. The minimum requirement specifications for engine technology (minimum stage V) and minimum requirements for fuel (biodiesel

HVO100) are required. Use of electrical machines is considered, but not technically feasible as it lacks the necessary electrical charging infrastructure at the operational locations in Marka. It is considered clear that major environmental gains will be achieved by setting minimum requirements for emission technology Stage V or better, as well as bio-fuel, than what can be achieved by weighting the environment as the award criterion 30%. Cf. the Public Procurement Regulations § 7-9, fourth section.
