The Healthier Together Sustainability and Transformation Partnership (STP) wish to undertake a market engagement exercise to inform the procurement strategy for a consistent and standardised Learning Management System across BNSSG, which is planned to be undertaken during early 2021.

The Healthier Together Learning Academy is a collaborative space to facilitate system-wide conversation and deliver integrated learning and development for the (BNSSG) health and social care workforce in order to provide consistent and standardised training at scale, improving quality and reducing overheads as well as reducing the cost of staff moving between employers.

It is focused on targeted priorities to deliver maximum system-wide impact and benefit for the present and future workforce; and one of these key priorities is for system partners to collaborate and secure the procurement of a consistent and standardised Learning Management System across BNSSG to bring considerable impact for sharing training resources and transferring training records between organisations.

Current participating partner organisations are University Hospitals Bristol and Weston NHS Foundation Trust, North Bristol NHS Trust, Avon and Wiltshire Mental Health Partnership NHS Trust, Sirona Care and Health CIC, BNSSG Primary Care, BNSSG Social Care, the BNSSG Clinical Commissioning Group and St Monica Trust.
