2. Procedūra

2.1. Procedūra

Pavadinimas: Procurement of an ERP system and assistance (the qualification phase).

Aprašymas: The aim of the procurement is to procure and introduce a future orientated, cloud based ERP system and hourly consultancy services connected to the system. The Norwegian Health Network would like a contract partner who can deliver a combined, fully integrated system that supports digitalisation, streamlining and automation of processes and services in accounting, budget/forecasts, wages, invoicing, travel/outlay and hour registration (the list is not exhaustive).

Procedūros identifikatorius: 2c917a23-38ed-467e-967a-87a6546243bb

Vidaus identifikatorius: 26/02452

Pirkimo būdas: Derybos su išankstiniu kvietimu dalyvauti konkurse ir (arba) konkursas su derybomis

Procedūra pagreitinta: ne

Pagrindiniai procedūros ypatumai: The Norwegian Health Network would like to procure standard off-the-shelf products where any adaptations to concrete needs are made through configurations of the tenderer's system(s). The procurement shall cover licences, establishment, configuration and integrations, as well as migration of data from the current system, in addition to training and introduction to the organisation. The system shall be delivered as a cloud service (SaaS), and the procurement shall cover ongoing operations, maintenance and support. The procurement shall also cover the need for further development after the implementation project has ended, as the Contracting Authority assumes that the needs can change during the contract period. An ERP system shall be procured that can be further developed and expanded in line with the business's needs and technological development, in particular regarding the need for increased digitalisation and streamlining of processes. This includes, among other things, new modules, functionality, integrations and the accompanying services within the natural area of use of the ERP system, including, among other things, finance, procurement, HR, reporting, automation/KI and integrations. The procurement therefore includes an option for future procurements and development of new versions of the system, as well as additional services so that the system can support the contracting authority's needs in the future as well.

Sunkus profesinis nusižengimas: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Faktų iškreipymas, nusišvaizduota informacija, negalėjimas pateikti reikalaujamų dokumentų ar su šia procedūra susijusios konfidencialios informacijos gavimas: Have the tenderer: a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Interesų konfliktas dėl dalyvavimo pirkimo procedūroje: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Tiesioginis arba netiesioginis dalyvavimas rengiant šią pirkimo procedūrą: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Sutarties nutraukimas anksčiau laiko, žala ar kitos panašios sankcijos: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Įsipareigojimų, nustatytų remiantis išimtinai nacionaliniais pašalinimo pagrindais, pažeidimas: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Pareigos mokėti socialinio draudimo įmokas pažeidimas: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Pareigos mokėti mokesčius pažeidimas: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Sustabdyta verslo veikla: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankrotas: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Susitarimas su kreditoriais: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Nemokumas: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.
