Pirkimo būdas: Derybos su išankstiniu kvietimu dalyvauti konkurse ir (arba) konkursas su derybomis

Procedūra pagreitinta: ne

Pagrindiniai procedūros ypatumai: The contracting entity intends to select 5-6 applicants who will be invited to submit a tender. If more than 5-6 compliant applications are received, the 5-6 applicants deemed best suited to perform the assignment will be selected. The selection will be based on the submitted references, with emphasis placed on the comparability of the references to the tendered assignment. The references will be assessed based on an overall evaluation. See further details in section 5.1 of the Contract Notice. Additional information can be found in the tender documents. The tender conditions contain a detailed description of the assignment and the tender process, while the remaining material describes the scope of the assignment. Unless the contracting entity chooses to award the contract based on an initial or subsequent tender, a negotiation process will be conducted, during which tenderers will be invited to individual negotiation meetings, which will be documented in accordance with the description in the tender conditions. Deadlines for submission of tenders are stated in the tender documents. The negotiation meetings are expected to take place in March-April 2026. Further information is provided in the tender conditions. The purpose of the negotiation

meetings is to ensure that tenderers are aware of where their tenders can be improved. The contracting entity will, in this context, provide comments on the tenders already submitted. During the negotiation meeting, tenderers will have the opportunity to challenge the tender material. Read more about the negotiation process in the tender conditions.

Papildoma informacija: 1. Due to Council Regulation (EU) 2022/576 of 8 April 2022, Article 5k, points (a)–(c), amending Regulation (EU) No. 833/2014 on restrictive measures in view of Russia's actions destabilizing the situation in Ukraine, the contracting entity can and will not award the Framework Agreement to economic operators covered by the prohibition.

Companies covered by the prohibition include: a) Russian nationals or natural or legal persons, entities, or bodies established in Russia; b) Legal persons, entities, or bodies directly or indirectly owned for more than 50% by entities mentioned under (1); or c) Natural or legal persons, entities, or bodies acting on behalf of or at the direction of an entity referred to under (1) or (2). The prohibition also applies to subcontractors and supporting entities from or connected to Russia if the subcontractor's or supporting entity's contribution constitutes more than 10% of the contract value. Companies covered by the above exclusion grounds cannot submit a tender. 2. The tender documents are available, and applications and tenders must be uploaded via www.comdia.com. The validity period for received tenders is 90 days. The contracting authority reserves the right to award the Framework Agreement based on the initial tenders without negotiations.

5.1.9. Atrankos kriterijai

Pasirinkimo kriterijų šaltiniai: Pranešimas

Kriterijus: Specifinis vidutinis metinis apyvartumas

Atrankos kriterijaus aprašymas: The applicant must provide turnover figures for the past 3 years. It is a minimum requirement that the applicant has had a total annual turnover of at least six (6) million DKK in each of the three (3) most recent available financial years. Under this section of the ESPD, the applicant must provide turnover figures for the three most recent available financial years. If the applicant is a group of economic operators (e.g. a consortium), the turnover is calculated as the combined turnover of the participating economic operators. If the applicant relies on the economic and financial capacity of other entities, the turnover is calculated as the combined turnover of the applicant and those entities. The supporting entities must, in this case, submit a letter of support. If the applicant directly or indirectly holds ownership interests in the supporting entity, or vice versa, the turnover is calculated based on the consolidated financial statements of the companies. The same applies if one consortium participant directly or indirectly holds ownership interests in another consortium participant. If

the applicant relies on the economic and financial capacity of other entities, the applicant and those entities are jointly and severally liable for the performance of the contract, in accordance with section 144(6) of the Danish Procurement Act. The supporting entities must confirm this liability in their letter of support. The supporting entities must use the contracting entity's template for the letter of support. For groups of economic operators (e.g. a consortium), the participating economic entities in the group are jointly and severally liable for fulfilling the tendered assignment. The participating economic operators must confirm this liability and use the contracting entity's template for the consortium declaration.

Kriterijus: Finansinis santykis

Atrankos kriterijaus aprašymas: The applicant must provide the solvency ratio for the past 3 years. It is a minimum requirement that the applicant has had a solvency ratio of at least 10% in each of the three (3) most recent available financial years. Under this section of the ESPD, the applicant must provide the solvency ratio for the three most recent available financial years. In the description section, the applicant is also requested to state the Equity and Total assets of the applicant. If the applicant is a group of economic operators (e.g. a consortium), the solvency ratio is calculated as the combined solvency ratio of the participating economic operators. Equity and Total assets should be stated for each member of the group of economic operators. If the applicant relies on the economic and financial capacity of other entities, the solvency ratio is calculated as the combined solvency ratio of the applicant and those entities. Equity and Total assets should be stated as well for each entity. The supporting entities must, in this case, submit a letter of support. If the applicant directly or indirectly holds ownership interests in the supporting entity, or vice versa, the solvency ratio is calculated based on the consolidated financial statements of the companies. The same applies if one consortium participant directly or indirectly holds ownership interests in another consortium participant.

Kriterijus: Rekomendacijos dėl nurodytų paslaugų

Atrankos kriterijaus aprašymas: The applicant must provide details of 3 significant service deliveries relevant to the tendered framework agreement, carried out within the past 3 years. It is a minimum requirement that the applicant is able to present at least 3 references. Only references relating to services that have been completed at the time of application will be considered in the evaluation. If the assignment is ongoing, only those parts of the services already completed at the time of application will be included in the assessment of the reference. It is the applicant's responsibility, in the description of the references, to specify that the relevant part of the service has already been completed at the time of application. In the evaluation, the contracting entity will place particular emphasis on the best and most relevant experience with comparable services. The applicant must provide 3 references to document compliance with the minimum requirement. If the applicant submits more than 3 references, the contracting entity will only consider the first 3. The contracting entity accepts 2 A4 pages per reference, corresponding to 2,400 characters per page. Please note that the cover page and table of contents do not count. If a reference exceeds 2 A4 pages, the contracting entity will base its assessment on the first page of the reference. For each reference, the applicant should provide the following: - A specific description of the actual work performed, indicating the services in Annex 1 (Service Description) covered by the reference, - The total contract value, - Name and contact details of a contact person, - Start and completion dates (day, month, year). For this assessment, the applicant must complete the relevant information in ESPD Part IV, Section C. If the number of compliant applications exceeds the maximum number stated below, the applicants with the most relevant references - based on technical capacity - will be selected. References will be assessed in relation to the description of the

tendered assignment, cf. sections 2.1 and 5.1 and Annex 1 (Service Description), with emphasis on the comparability of their content to the tendered assignment. In the evaluation, the contracting entity will place particular emphasis on the following: a) The extent to which the references demonstrate experience with performance of Site Investigation Services for REP /BESS projects, preferably combined solar/wind/BESS b) The extent to which the references demonstrate experience of key disciplines within Site Investigation Services relevant for REP /BESS projects. c) The extent to which the references demonstrate experience with large and complex projects (e.g. large MW capacity, number of WTGs, hectares of PV arrays, length of grid connection, complexity of soils)

5.1.16. Išsamesnė informacija, tarpininkavimas ir peržiūra

Peržiūros organizacija: Danish Complaints Board for Public Procurement

Informacija apie peržiūros terminus: According to the Danish Complaints Board for Public Procurement Act etc. (the Act can be downloaded at www.retsinformation.dk), the following deadlines for filing a complaint apply: Complaints about not having been selected must be submitted to the Danish Complaints Board for Public Procurement within 20 calendar days, cf. Section 7(1) of the Act, from the day after sending a notification to the candidates concerned about who has been selected, when the notification is accompanied by a statement of reasons for the decision in accordance with Section 2(1)(1) of the Act and Section 171(2) of the Public Procurement Act. In other situations, complaints about tenders, cf. Section 7(2) of the Act, must be submitted to the Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting entity has published a notice in the Official Journal of the European Union that it has entered into a contract. The deadline is calculated from the day after the date on which the announcement has been published. 2) 20 calendar days from the day after the contracting entity has announced its decision, cf. Section 185(2) of the Public Procurement Act. No later than the same time that a complaint is submitted to the Complaints Board for Public Procurement, the complainant must inform the contracting entity in writing that a complaint is submitted to the Complaints Board for Public Procurement and whether the complaint has been submitted during the standstill period, cf. Section 6(4) of the Act. In cases where the complaint has not been submitted during the standstill period, the complainant must also state whether the complaint is to be given suspensive effect, cf. Section 12(1) of the Act. The Complaints Board for Public Procurement's e-mail address is stated in Section VI.4.1). The Complaints Board for Public Procurement's complaint guide can be found at: www.erhvervsstyrelsen.dk.
