2.1. Procedūra

Nosaukums: Supervision Services for the Construction of new railway section from Kriva Palanka to the border of the Republic of Bulgaria, as part of Corridor VIII

Apraksts: The Corridor VIII is a key component of the European transport system and the segment of the Railway Corridor VIII traversing the Republic of North Macedonia has a missing link leading to the Republic of Bulgaria. It is structured in three sections: (i) Kumanovo to Beljakovce (Phase 1, 30.8 km) currently in DLP, (ii) Beljakovce to Kriva Palanka (Phase 2, 34 km) presently under construction and Kriva Palanka to Deve Bair (Phase 3, 23.4 km) - this segment leads towards up to the cross border tunnel with Republic of Bulgaria. This procurement notice refers particularly for the section “Construction of new railway section from Kriva Palanka to the cross-border tunnel with Republic of Bulgaria”. The objective of the assignment is supervision for construction of a single-track electrified railway line from Kriva Palanka to the cross border tunnel (Phase 3), signalling and telecommunication for Phase 3, as well as electrification of the line from Kumanovo to the border with the Republic of Bulgaria (Phase 1, 2 and 3). The consultant will carry out the duties of the Engineer as governed by the Conditions of Contract for Construction for Plant and Design – Build (FIDIC Yellow Book, 1999), provision of the supervision services in the capacity of the “FIDIC Engineer” and supervision as stipulated by Macedonian legislation. The supervision will counsel the Client on managing the contracts with due diligence, ensuring all obligations specified in the Project's Financing documents, including loan, grant and project agreements, as well as the respective service contract and terms of reference (ToR) are adequately addressed and fulfilled.

Papildu informācija: The base of operations will be in the north-east part of the Republic of North Macedonia, from the city of Kriva Palanka to the cross border tunnel with the Republic of Bulgaria, and in the capital - Skopje.

2.1.4. Vispārīga informācija

Papildu informācija: Guide to Procurement (GtP) for projects financed by the European Investment Bank (EIB) dated July 5, 2024 available at https://www.eib.org/files/publications/20240132_guide_to_procurement_for_projects_financed_by_the_eib_en.pdf is applied to this tender. The services will be financed through Western Balkans Investment Framework Grant and EIB loan. A Restricted Procurement procedure with an international call for expression of interest will be followed. The Procuring Entity, the Public Enterprise for Railway Infrastructure Railways of Republic of North Macedonia – Skopje (ZRSMI), now invites eligible candidates to indicate their interest in providing the Services. Firms originating from all countries of the world are eligible to tender for services contracts. Interested candidates must provide information indicating that they are qualified to perform the Service, as specified below. Candidates shall submit a request to ZRSMI at the address above to obtain the template that must be used to submit any Application. Only applications using the correct template will be accepted. Applications shall be submitted in hard copy only, all in a single envelope with text on the outside of the envelope as follows “Application for Supervision services of the major project “Construction of new railway section from Kriva Palanka to the border with Republic of Bulgaria, as part of Corridor VIII”. Not to be opened until 20/05/2026, 12:00 o'clock Skopje local time” and in Macedonian language: “He отворај пред 20/05/2026 година, 12:00 локално време во Скопје”. Candidates are allowed to ask clarifications up to 15 days prior the deadline for submission by sending an email to the address above. The response will be delivered via email to the participants not later than 8 days prior to submission of the deadline for applications. ZRSMI intends to shortlist up to six eligible firms of all submitted applications to whom a subsequent Request for Proposals (RFP), both technical and financial, shall be sent. In the event that more than six (6) candidates fulfil all the qualifying criteria below, the following criteria shall be used to rank the applicants and the top six (6) shall be invited to submit proposals: (I) The total number of similar contracts in a field related to these Services brought as reference below under technical and professional ability (i) and (ii); (II) In a second step, as necessary, the value of similar contracts in a field related to these Services brought as reference below under technical and professional ability (i) and (ii). Clause 5.1.9 should be interpreted as the minimum acceptable number of shortlisted tenderers should not be less than 3. Corporate services are required. Candidates may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture/consortium and/or a sub-consultancy. In the case of a joint venture /consortium, all the partners in the joint venture/consortium shall be jointly and severally liable for the entire contract, if selected. The experience and financial record of any proposed sub-consultancy shall not be included in the evaluation. In the event that a natural or legal entity submits or forms part of more than one application, all applications in which that entity has participated will be excluded. Subsequently ZRSMI will send Requests for Proposals (RfP) to the shortlisted selected applicants (maximum 6). Proposals shall be evaluated in two stages on basis of the Most Economically Advantageous Offer. See also “Additional information” in clause 5.1.6 below. Participation is open to all legal persons and firms (participating either individually or in a grouping – consortium of tenderers) origination from all countries of the

world. A consortium may be a permanent, legally established grouping or a grouping which has been constituted informally for a specific tender procedure. All partners of a JV/consortium (i.e. the leader and all other partners) are jointly and severally liable to the Contracting Authority (CA). Sub-consultants are not going to be evaluated and their resources shall not be taken into consideration. The participation on an ineligible legal person will result in the automatic exclusion of that legal person. In than ineligible legal person belongs to a consortium, the whole consortium will be excluded. Only one application or tender can be submitted by an entity whatever the form of participation (as an individual legal entity or as leader or partner of a consortium submission an application/tender). If a legal entity submits more than one application or tender, all applications or tenders in which that entity has participated will be excluded. Grounds for exclusion: As part of application form, candidates must submit a signed declarations, included in the application form that they are not in the exclusion situations as per GtP for projects financed by the EIB and EU Grant Funds:

Conflict of Interest, Section 1.7 Mandatory compliance with EIB's Environmental and Social (E&S) safeguards and Section 3.6 Prohibited Conduct – Covenant of Integrity (Col), Anti-fraud policy by EIB: <https://www.eib.org/en/publications/anti-fraud-policy>, and Section 3.8 E&S Covenant. It should be noted that, in the Covenant of Integrity, the tenderer/bidder is requested to self-declare on its behalf and on behalf of its joint venture partners, if any, that neither the tenderer nor anyone, including any of its directors, employees, agents or subcontractors for the Contract, acting on its behalf with due authority or with its knowledge or consent or facilitated by it, nor any of its parent, subsidiary or affiliate companies are subject to any of the instances detailed in the Covenant of Integrity: (i) any Prohibited Conduct in connection with the tendering process and the commitment that neither the Bidder nor the Associated Entities and Persons will engage in such Prohibited Conduct during the execution of the Contract. Prohibited Conduct includes corruption, fraud, collusion, coercion, obstruction, theft at EIB Group premises, misuse of EIB Group resources or assets, money laundering or financing of terrorism, all as defined in the EIB Group Anti-Fraud Policy, available at <https://www.eib.org/en/publications/anti-fraud-policy> and as amended from time to time. (ii) EU/United Nations sanctions: EU sanctions or restrictive measures pursuant to Chapter 2 of Title V of the EU Treaty and the objectives of the Common Foreign and Security Policy set out in Article 21 of the EU Treaty and Article 215 of the Treaty on the Functioning of the EU, either autonomously or pursuant to the sanctions decided by the United Nations Security Council on the basis of Article 41 of the United Nations Charter. (iii) Any exclusion by the European Investment Bank; (iv) Any conviction in any court or any sanction (including a fine or any other financial penalty, irrespective of whether paid yet or not) by any authority (irrespective of whether such conviction or sanction is still in force) of any offence on grounds comparable to Prohibited Conduct in connection with a tendering process or any provision of works, goods or services, during the 5 (five) years immediately preceding the date of this Covenant; (v) Any exclusion or enforcement actions or sanction (including any decision having an effect similar to conditional non-exclusion, temporary suspension, letters of reprimand, or self-restraint) by the EU institutions or bodies, or any multilateral development bank, on grounds comparable to Prohibited Conduct, or have been under such exclusion, enforcement action or sanction the effectiveness of which ceased no more than 5 (five) years immediately preceding the date of this Covenant. Multilateral development bank includes the World Bank Group, the African Development Bank, the Asian Development Bank, the European Bank for Reconstruction and Development, the European Investment Bank and the Inter-American Development Bank. If applicable, the bidder shall provide the details of all convictions, exclusions or other sanctions, exclusion/sanctions proceedings, and/or enforcement actions,

listed above under paragraphs (i) to (v), in respect of the bidder or any of its directors, employees, agents or subcontractors for the Contract, acting on its behalf with due authority or with its knowledge or consent or facilitated by it, together with details of the measures taken, or to be taken, to ensure that no Prohibited Conduct is committed in connection with the tendering process or with the execution of the Contract. In this regard, any omission or misrepresentation, made knowingly or recklessly, may be considered as fraud under the EIB Anti-Fraud Policy. Therefore, the Client/Employer reserves the right to reject any offer presenting an inaccurate or incomplete Covenant of Integrity and may cause the rejection of the offer for prohibited conduct.” Pursuant to its Sanctions Policy, the Bank shall not provide finance, directly or indirectly, to or for the benefit of an individual or entity that is subject to financial sanctions imposed by the EU, either autonomously or pursuant to the financial sanctions decided by the United Nations Security Council on the basis of Article 41 of the UN Charter.
