Veikkaus Oy is preparing for the multi#license system in accordance with renewed applicable legislation (Gambling Act (10/2026), which will significantly alter Veikkaus' s operating environment, creating an immediate need for the service to be procured. Accordingly, Veikkaus Oy considers that the statutory grounds for shortening the applicable procurement time limits are fulfilled.

Similarly, the group may be required to provide evidence of the arrangements governing relationships among its members. If a tenderer engages subcontractors, it remains fully responsible for their work as if it were its own. A tenderer submitting an independent bid while relying on subcontractors must specify in the Subcontractors Form how each subcontractor contributes to service delivery.
