5.1.9. Atlases kritēriji

Atlases kritēriju avoti: Iepirkuma dokuments, Paziņojums

Kritērijs: Reģistrācija attiecīgā profesionālā reģistrā

Atlases kritērija apraksts: Tenderers are registered in a professional register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Point 6.2 The tenderer's organisational and legal position Qualification Requirement: Tenderers shall be a legally registered company.

Documentation requirement: Company Registration Certificate, or equivalent from the country where the company is registered. Documentation must not be enclosed for tenderers registered in the Norwegian Register of Units. The contracting authority will check the registration by using the organisation number stated in the tenderer's MerCell profile.

Tenderers who are not registered in the above register must present a certificate or confirmation (equivalent company registration certificate) for registration in a trade or business register as prescribed by the law of the country where the tenderer is established. Such a certificate shall not be issued more than six months before the tender deadline.

Kritērijs: Citi ekonomiski vai finansiāli prasījumi

Atlases kritērija apraksts: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that:

Minimum qualification requirements Point 6.3 Economic and financial capacity. Qualification

requirement: Tenderers shall be credit worthy and have sufficient economic and financial capacity to fulfil the contract. Documentation requirement: Credit evaluation/rating, assessment made in CreditPro, D&B, Bisnode AS or an equivalently certified credit information agency, not older than 3 months, based on the last known accounting figures. The income ratio, degree of liquidity, solidity, debt ratio and turnover shall be in the rating. For companies that cannot be credit rated, approved accounting figures shall show satisfactory good credit worthiness and sufficient financial implementation ability/capacity. This will be assessed based on an overall assessment based on the following parameters: result degree, degree of liquidity, solidity, debt ratio and turnover. If a tenderer cannot present the above mentioned documentation, or would like to document that it gives a misleading picture of his financial situation, he shall prove his economic and financial position, using another document of relevance to the company's fiscal figures/finances. Tenderers shall in particular justify why the requested documentation possibly cannot be delivered or gives a misleading picture. Any guarantees and insurances given by a third party must cover all the financial losses that may arise due to non fulfilment of the contract. Any guarantors must document that they independently fulfil the qualification requirement for finances. The contracting authority reserves the right, nevertheless, to obtain financial information from other sources (e.g. own credit rating) if there is uncertainty as to whether the requirement is fulfilled or not. Such a decision must not be justified. All the obtained and any submitted information will form the basis for an overall assessment of whether the qualification requirement is fulfilled.
