5.1.9. Atlases kritēriji

Atlases kritēriju avoti: Paziņojums

Kritērijs: Reģistrācija tirdzniecības reģistrā

Atlases kritērija apraksts: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements The tenderer shall be a legally established company. Documentation: Norwegian companies shall submit a company registration certificate from the Brønnøysund Register Centre. Foreign companies shall submit proof that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Kritērijs: Vidējais gada apgrozījums

Atlases kritērija apraksts: The tenderer's average annual turnover for the number of years requested in the notice or in the procurement documents is as follows: Minimum qualification requirements Tenderers must have had a minimum annual turnover of NOK 170,000,000 on average in the last three years. Documented by: Where the tenderer is registered in Proff Forvalt, the contracting authority use Proff Forvalt (Eniro Norway) to assess fulfilment of the requirement. Where these Information not in Proff Forvalt must be submitted with the tenderer's annual accounts for the last 3 approved fiscal years.

Kritērijs: Citi ekonomiski vai finansiāli prasījumi

Atlases kritērija apraksts: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that:

Minimum qualification requirements Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Tenderers are required to have a bankruptcy rating equivalent to B (moderate risk) from Proff Forvalt (Proff AS) or better. Documentation requirement: The contracting authority will use Proff Forvalt (Proff AS) to assess fulfilment of the requirement. Therefore it is not necessary for tenderers to send this documentation. The tenderer is expected to have known registered information about the company in Proff AS. If a tenderer chooses to use a parent company to fulfil the requirement, a parent company guarantee must be enclosed. The contracting authority will then use Proff Forvalt to assess the parent company's bankruptcy rating. If the tenderer (e.g. newly established companies) is not subject to bankruptcy proceedings in Proff Forvalt, the tenderer is asked to enclose other appropriate documentation. This can e.g. be the company's annual accounts or extracts thereof, bank declarations or liability insurance certificates, ref. the Public Procurement Regulations §16-4. If one company will use the capacity of other companies to fulfil the requirements for economic and financial capacity, the contracting authority requires that they are joint and severally responsible for the execution of the contract.

Kritērijs: Atsauksmes par noteiktām darbībām

Atlases kritērija apraksts: Only for public building and construction works: During the reference period the tenderer has carried out the following work of the requested type. The contracting authority can require up to five years experience and allow experience from the previous five years to be taken into consideration. Minimum qualification requirements Tenderers shall have experience from comparable contracts. With comparable assignments means educational buildings, e.g. nurseries and schools. Documentation: Complete Annex A "The tenderer's relevant reference projects" Description of the tenderer's two most relevant assignments during the last 5 years. The description must, as a minimum, include a short description of assignment, statement of the assignment's value, date and recipient. The assignment must be completed and handed over to the builder at the latest the first half of 2026. It is the tenderer's responsibility to document relevance through Description.

Kritērijs: Neatkarīgu iestāžu sertifikāti par kvalitātes nodrošināšanas standartiem

Atlases kritērija apraksts: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements Tenderers are required to fulfil the requirements for the Quality System ISO 9001:2015. Corresponding certificates issued by bodies in other EEA states will be accepted. The Contracting Authority will accept other documentation for an equivalent quality system if the tenderer is unable to obtain such certificates by the deadline and it is not due to the tenderer himself. It is a prerequisite that the tenderer substantiates that these measures are equivalent to the requested quality assurance Standards.

Kritērijs: Neatkarīgu iestāžu sertifikāti par vides pārvaldības sistēmām vai standartiem

Atlases kritērija apraksts: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements Tenderers are required to be certified for environmental management, in the form of ISO 1400:2015, EMAS or Eco-lighthouse programme. Equivalent certificates from bodies in other EEA states will be accepted. The Contracting Authority will. accept other documentation for equivalent environmental management measures if the tenderer does not have the possibility to obtain

such certificates by the deadline, and this is not due to the tenderer himself. This it is a prerequisite that the tenderer documents that these measures are equivalent to the requested environmental management systems or standards.
