5.1.9. Atlases kritēriji

Atlases kritēriju avoti: Paziņojums

Kritērijs: Citi ekonomiski vai finansiāli prasījumi

Atlases kritērija apraksts: The tenderer's qualifications will be assessed on the received documentation. Only tenderers who are qualified will be included in the dynamic purchasing system. However, sub-suppliers must also complete the self-declaration form (ESPD) in the KGV portal. The contracting authority can re-assess whether tenderers included in the scheme are still qualified in accordance with the qualification requirements stated in this document. The contracting authority reserves the right, thus, to require updated documentation for such a re-evaluation. A 7 day deadline will be set for submitting documentation requested by the contracting authority. Costs The costs that the tenderer has when preparing the application will not be refunded by the municipality. Tenderers are also to carry all costs related to participation in coming competitions. Documentation requirements: The contract will include requirements for wages and working conditions, documentation and sanctions in accordance with the regulations on wage and working conditions dated 8 February 2008 no. 112.

Kritērijs: Reģistrācija tirdzniecības reģistrā

Atlases kritērija apraksts: The chosen tenderer shall submit a VAT certificate and tax certificate. This only applies if the chosen tenderer is Norwegian. The tax certificate must not be older than six months calculated from the deadline for submitting a request for participation

in the competition or a tender. All sub-contractors shall also submit tax certificates for building and construction contracts. Documentation requirements: The chosen tenderer shall submit a VAT and tax certificate, either via eBevis or as an annex. The tax certificate must not be more than six months from the deadline for receipt of tenders.

Kritērijs: Reģistrācija tirdzniecības reģistrā

Atlases kritērija apraksts: If a tenderer shall use sub-supplier(s) to fulfil the qualification requirements, a binding declaration must be enclosed stating that the tenderer has the necessary right of use of the sub-contractor(s) capacity. A signed commitment statement shall be enclosed from sub-supplier(s) (the tender documentation annex 2), as well as a short description of which capacity(s) the sub-suppliers shall carry out. Furthermore, the self-declaration form (ESPD) shall be filled in in the KGV portal, also for sub-suppliers.

Documentation requirements: Tenderers shall be registered in a company register, professional register or a commerce register in the country where the tenderer is established. * Norwegian companies: Company Registration Certificate * Foreign companies: Verification that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Kritērijs: Citi ekonomiski vai finansiāli prasījumi

Atlases kritērija apraksts: As a minimum requirement, the tenderer must not be subject to bankruptcy proceedings, debt negotiations or liquidation or have suspended activity. Good credit worthiness is required, at least equivalent to Bisnode (riskguardian.bisnode.no score <http://riskguardian.bisnode.no> A. If the tenderer relies on another company, it shall fulfil the requirements and document them, in the same way that the tenderer is. If a tenderer is not subject to credit appraisal, or if a tenderer wishes to document that the credit rating gives a misleading picture of the economic situation, the economic and financial position can be substantiated with other appropriate documentation. Tenderers shall particularly justify why the credit rating is not available or why it gives a misleading picture. For companies without the Bisnode base, the contracting authority will assess the accounting figures, possibly obtain external help to assess the tenderer's economic and financial position. Tenderers with temporarily reduced credit rating due to notified fission/fusion or equivalent, may be approved. Documentation requirements: Tenderers shall enclose a credit report, not older than 3 months, issued by a credit information company with a licence to operate a credit information company.

Kritērijs: Atsauksmes par noteiktām pakalpojumiem

Atlases kritērija apraksts: Tenderers shall have experience from comparable contracts. Description of up to 3 of the tenderer's most relevant contracts in the course of the last 3 years. Documentation requirements: Description of up to 3 of the tenderer's most relevant contracts in the course of the last 3 years. The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document their experience by referring to competence of the personnel he has at his disposal and can use this assignment, even if the experience has been worked up while the personnel have served another service provider.

Kritērijs: Atsauksmes par noteiktām pakalpojumiem

Atlases kritērija apraksts: The contracting authority has many vehicle units and it has been decided that Hammerfest municipality shall mainly own vehicles rather than leasing vehicles. The service vehicles are mostly in continual operation. It is therefore decisive that the tenderers who are pre-qualified have a certified workshop by the Norwegian Public Roads

Administration and that they can be reached within a maximum of 1 hour driving from the centre of Hammerfest. (Town Hall Square 1) An approved workshop also applies to any collaboration partners, sub-suppliers. The agreement also includes tyre hotel services and general follow-up of the vehicle during the entire contract period. Documentation of a certified workshop as well as an account of tyre hotel tyres and general follow-up are requested. Attention is defined that tenderers will not be evaluated at this point, but it will be a prerequisite that the tenderers can be pre-qualified to participate in the dynamic purchasing system. (DIO) Documentation requirements: Documentation of a certified workshop, as well as an account of tyre hotel tyres and general follow-up. Confirmation of a certified workshop and service point.

Kritērijs: Pasākumi kvalitātes nodrošināšanai

Atlases kritērija apraksts: The contracting authority requires that tenderers have internal quality assurance set in the system. Tenderers shall give an account of how they solve this, e. g. by enclosing an overview or description of such a system. If the tenderer is quality certified in accordance with ISO 9001, a valid certificate shall be enclosed. Documentation requirements: Tenderers must describe what quality assurance system they use in the company.

Kritērijs: Vides pārvaldības pasākumi

Atlases kritērija apraksts: The contracting authority would like tenderers to confirm that they have an internal environmental management system, possibly environmentally certified equivalent to The Eco-Lighthouse, ISO 14001 or EMAS (see the logo for some of these certifications below). If this does not currently exist, tenderers are asked to submit a plan that shows how to put this in place within 12 months of the contract being signed. Documentation requirements: Documentation of an environmental management system.

Kritērijs: Citi ekonomiski vai finansiāli prasījumi

Atlases kritērija apraksts: Application and submission The complete application shall consist of: • A signed application letter, cf. annex 1. • A completed self-declaration form (ESPD) for the tenderer and sub-supplier(s) • Documentation connected to the qualification requirements in the tender documentation. • Commitment statement for sub-suppliers - steps 1 and 2 4.1 Submission Tenderers shall ensure that the application that is submitted is in accordance with this qualification documentation. It is the tenderer's responsibility to submit a correct and complete application. Missing submission of documentation means that the tenderer will not be included in the scheme, but can re-apply at a later date. The application shall be in writing and it shall be submitted in Norwegian. The application shall be submitted electronically via the tender tool KGV. To be sure of participation in the first competition in stage 2, the application must be submitted by the application deadline. Documentation requirements: Enclosed application.
