the other parts of the tender material. Reference is made to the Danish Competition and Consumer Authority's "Guide til ESPD – Det fælles europæiske udbudsdokument", which contains guidance on completing the ESPD: <https://www.kfst.dk/vejledninger/kfst/dansk/2020/20203108espd-det-faelle-seuropaeiske-udbudsdokument/> If the applicant is a consortium or similar, and/or if the applicant relies on supporting entities, a consortium declaration and/or a declaration of support, as applicable, must also be uploaded for the relevant undertakings.

APPLICATIONS FROM CONSORTIA OR SIMILAR If the applicant is a consortium or similar grouping of undertakings (a "consortium"), the applicant must indicate this in Part II, Section A of the ESPD. Each participant in the consortium must complete and upload an ESPD as described above. The participants in the consortium must furthermore complete and sign a consortium declaration, corresponding to the template in the Tender Conditions, whereby the consortium participants assume joint and several and unlimited liability for the performance of the contract if the contract is awarded to the consortium. The applicant is not required to use the template, but since the declaration to be submitted must have the same content as the template, the applicant is encouraged to do so.

APPLICATIONS BASED ON SUPPORTING ENTITIES If the applicant relies on the economic and financial capacity and/or the technical and professional capacity of supporting entities, such as a parent company, a subcontractor or similar, the applicant must indicate this in Part II, Section C of the ESPD. Each of these supporting entities must complete and upload an ESPD as described above. As part of the application for prequalification, the applicant must furthermore upload a signed declaration of support in accordance with article 79, subs. 1 of the Utilities Directive (Directive 2014/25/EU), corresponding to the templates in the Instructions to Tenderers, from each of the supporting entities on which the applicant relies. The applicant is not required to use the template but since the declaration(s) to be submitted must have the same content as the template, the applicant is encouraged to do so.

REJECTION OF APPLICANTS ESTABLISHED IN TAX HAVENS Metroselskabet will exclude applicants established in a country that is included in the EU list of non-cooperative jurisdictions for tax purposes and has not acceded to the WTO's Government Procurement Agreement or other trade agreements that oblige Denmark to open the market for public procurement to applicants established in that country.
