II.1.4. Deskrizzjoni qasira

NHS Supply Chain seeks to establish a non-exclusive Framework Agreement for the supply to the NHS Supply Chain customer base via the direct route of supply of mobile and strategic clinical solutions. The scope of the proposed Framework Agreement is intended to cover the

following categories of services (listed as lots) and shall supplement the end and/or permanent facilities that the end users may wish to rent on a temporary basis. The length of service will be determined by the customer's local clinical requirement.

It is anticipated that in the first 24 months of the Framework Agreement the value of purchases will be in the region of circa 250 000 000 GBP. For the full 48 month term (if extended) the anticipated value is circa 600 000 000 GBP. These values are approximate only and are based on the most recent historical usage information, with a forecasted level of growth. The values provided are for guidance only and are not a guarantee of business.
